Charlie.
I hope you are a star
at (Bama) I have enjoyed
being in your class this year
and loved all our goals.
I guess we'll beat you when we
play you so don't feel too bad
if you ever want to come to Auburn
for a visit let me know
Good Luck Always

Dear Ethelyn,

The end of another year -
our senior year. I can't believe
that in two weeks we will be
alumni (is that right?) of
Murphy. The time has really
 flown, hasn't it? With you in
section 117, time has flown
just a little faster. I'll never
forget the yelling sessions & Miss
King gave us, and I'll NEVER
forget the last minute cramming
we did for Miss Dickel & Miss
Moore's tests.

Good luck always & I hope you
have the best in life -

Always,
Gloria

Dear Ethelyn,

We're finally
made it! What are we
gonna do now? you know
I'm scored.

Ethelyn, you'll never
know how much your friendship
has meant to me. You're so.... so....
..... well, different. (I mean
refreshingly different) you are
really the greatest of great people,
and someday I may be able to
understand you. Good luck on
the outside and capitaliz on your
advantages. You have many.
Don't forget me.

Remember the
reunion 10 years
from now.

Good always,
Jemmi
(Tucker)

Ethelyn,

It's been fun
knowing you this
year! I hope we
can always be
good friends.
You are a fine
person and I'm
sure you'll
be a great success
in life. Remember
always "Lunch"
and don't dare
forget Training
Union (you're a
very good member!).
Lots of Luck & Love
in your future
life. Stay Happy
Remember me

always
(how could you
forget me!)

Love & Luck

Gerald

Ethelyn,

If it hadn't been for
graduation parties I would
have seen you to talk to you
in - gosh - knows how long!
Although I go to Davidson
we're both gettin' out this
year and I can't believe
it! You've really changed
since the 6th grade! You're
lookin' great! Be good & study
hard at Davidson! Love you

Dear Ethelyn,

I have really enjoyed knowing you these three long years at Murphy. You are very healthy looking. My only complaint is that on several occasions you have treated me with a slight degree of contempt. Oh well, you're still a good kid and all has been in fun - which we had plenty of!

I know you'll be excellent in college and may you have fun too! Please remember me kindly and I'll do the same for you sometime.

P.S. Don't let anybody put roaches on you!

Love, love you
Anita Ritchie

Ethelyn,

You've got an even disposition - always sweet. Despite this, I kinda think your nice. I hope you know I've been kidding you about all what I've been kidding you about. Be what that might forever that it be.

Have a good summer and come to church some time cause we've really been missing you lately. You're a pretty smart girl with a bright future and I enjoyed having you in my class this year. Be good!

Love, Jimbo

Dear Ethelyn,
 If you get to home
 before I do pull a
 little
 hole on
 Pull me
 through

MOHIAN

Dear Ethelyn,
 I've really enjoyed knowing you at Murphy
 although I haven't really understood you
 until this year! You have
 a great personality and good
 looks too. Very few girls I
 know have a combination
 like that going for them!

Sounds of a new day: Mr. Taylor prepares to give the morning announcements.

Ethelyn -
A better friend one couldn't ask for - you've got everything it takes for success. I'll never forget the classes we have (enjoyed) together. You were always the smartest one in any class without exception - and I know why: because you were always prepared.

Keep your friendly personality and eternal smile & nothing will prevent your success and happiness in life. Never be reluctant to call on your ever faithful friend (me) for anything. Love
John

Sounds

Chips fly as a plank of wood becomes a table.

Harmonious voices resound through the halls

That Typify Murphy High School

Deep notes of a tuba
vibrate in the air.

A pigeon coos in
a shaded alcove.

Ladders and pounding hammers are a familiar backstage scene.

From Back

Enthusiastic Murphy boosters cheer Panthers to victory.

Stage To Study Hall To The Athletic Field

Concentrated silence aids the diligent student.

The quiet hum of a sewing machine highlights every homemaking course.

Banging of lockers
is familiar to all
Murphians.

Graduation practice foretells the end of a high school career.

A vital part of every day

Heart And Spirit From Beginning To End

Ten-minute bell sends P. E. students rushing for the dressing room.

Excited yells fill the air as Murphy spirit is uncorked.

Foreword

Seldom is the heart and spirit of a school easily determined through simple observation. A fascinating task this year has been trying to locate actually where it does lie. Looking at old records, taking part in extracurricular activities, observing and talking to students, listening to teachers, and studying the physical features of the campus have finally revealed the obvious answer. The melodious, discordant, soft, loud, harsh, excited sounds of Murphy are its heart and spirit . . .

Dear Ethelyn,

I sure am glad Larry started going with you and then introduced you to me. You're a great pal with a fine personality. Good luck at Judson and keep up the good grades. I've enjoyed grading your papers in chemistry and I hope you'll do as good in college. Stay sweet and don't get snobbish. I hope our friendship won't stop with high school but that it will continue to grow. Lots of luck with Larry,
David

Mr. and Mrs. Taylor, honorees at the D.O. banquet, dine with Dr. and Mrs. Scarborough.

Principal Honored By Yearbook Staff

When a person does for others in an unselfish way, and when he repeats these acts of kindness and never seems to tire of it, those who have benefited sometimes find it difficult to show their appreciation. Material gifts have little weight in conveying feelings of gratitude; so from the realm of things bigger than worldly goods something is chosen that will live for always.

Mr. Bruce Taylor has been the kind of person that we, as students, would like to be. He has set an example for us by living a genuine wholesome life. Whether graduates remember him as an active enthusiastic coach, a busy efficient assistant principal, or a capable principal, they will all remember his genuine interest in them and in all of their activities. This man of numerous interests and talents devotes many hours to Murphy. On Saturdays he may be found working in his yard or playing golf. On Sundays he attends Dauplin Way Methodist Church with his wife who also works with teenagers as a junior high school librarian.

The Murphy High School student body can find no better way to express their sincere appreciation than to dedicate The 1964 MOHIAN to our principal, Mr. Raymond Bruce Taylor.

Mr. and Mrs. Taylor at Panther Spirit Night.

Ethelyn,
you haven't even left yet
but I miss you already.
I will always treasure the
memories & good times we've
had together. You are truly
wonderful & I will
always look up to
you. I love you
more & more each
day. You & Larry mean
so much to me.
I hope your future
holds everything
God has to offer &
gives you. I hope you
have a good time at Jackson & you
are happy there. Ethelyn, Please don't
forget me (D.K.) I Promise I won't ever
forget you. Be good, and remember
I love you

Quiet words of encouragement spoken by an
understanding instructor, the squeak of a new stick
of chalk on a clean blackboard, laughter drift-
ing from the teachers' lounge, stern words directed
to a disobedient student, the busy rustle of papers
being filed in the office, and the whistling of a
maid sweeping in the main building after school
are all sounds characteristic of the work of those
dedicated individuals who serve as members of
the faculty and staff. Little could be accomplished
at Murphy without their help.

Ethelyn, you know you're adorable
& you're not fat so stay
that way. You have
a great personality and
I know you'll have lots of friends
everywhere you go. Well, I hope I made
my self clear in saying you were
cause now I'm getting my words twisted

Love again
Judy

Dr. Cranford H. Burns, Superintendent

County Administration

President Charles McNeil rapped for order and thus initiated the new term of the Mobile County School Board. Dr. Cranford H. Burns, Superintendent of Schools, his staff, and the five elected members of the School Board work hand in hand. These school commissioners who serve a six year term are: Kenneth Reed, Jack Gallalee, Arthur Smith, Jr., and William B. Crane. The basic functions of the School Board are to co-ordinate the operation of the schools and to maintain school facilities efficiently. Over 2,500 instructors who teach more than 77,000 pupils in 92 public schools comprise the Mobile Public School System. At the present the School Board is continuing an extensive building program to improve the educational standards of the Mobile community.

School officials discuss problems.

Mr. Taylor Cheers Panthers

Mr. Taylor, principal of Murphy, and Mrs. Fishburne, his secretary, confer over daily appointments.

Often one may find Mr. Bruce Taylor cheering the Panthers to a victory, speaking over the public address, or chatting with students in the halls. Murphy's sixth principal came up through the ranks in teaching. He started his teaching career after graduating from Auburn with a B.S. degree and the University of Alabama with his M.A. degree. Beginning as a physical education instructor, he advanced to earn a position of assistant principal,

which he held in the last year. Mrs. Taylor is the librarian at Sidney Phillips Junior High.

The Taylors are using their usual kindness in aiding teenagers in so many important and influential ways. When asked about his feelings toward teenagers, Mr. Taylor answered, "I receive enjoyment in being around them, teaching them, and in fussing at them."

Mr. Taylor prepares to give daily announcements.

Mr. Taylor Rings Introductory Gong

On September 4, 1963, the introductory gong of the public address was rung by Mr. Raymond B. Taylor as he began his first year as principal of Murphy. Mr. Taylor, former assistant principal, along with his staff, endeavors to make Murphy High School outstanding in the South in every respect. A faculty of 126 teachers, many of whom hold advanced degrees, make this goal easily attainable. A new assistant principal, Mr. Henderson Young, has assumed his duties in the Business Office.

This year the guidance department has increased from one to four full-time counselors each with a specific responsibility according to the field in which he received his special training. Miss Baxter helps with college entrance, Mrs. Stout with scholarships and financial aid, Mr. Bishop with career guidance, and Mrs. Posey with high school guidance.

Sue Murdock seeks advice on scholarships from Mrs. Stout of the guidance office.

English Department Claims NCTE Winner

Miss Moore points out to her class various characters from the novels of Charles Dickens.

English teachers often encourage students to read aloud both in unison and individually. Oral reading promotes correct pronunciation and good grammar. The department places emphasis on writing, too. In the three years at Murphy, a student is taught practical usage of grammar along with the informative and exciting course of literature. Authors ranging from the ancient Greek Homer to the contemporary John Steinbeck are studied. World literature, creative writing, dramatics, and speech are elective courses which the English department offers to the student who aspires to obtain a better foundation in English.

Social Science Department Instructs

Mr. Heffington describes the beginning of early civilizations in the Middle East.

Voices are raised each morning as students and faculty repeat the Pledge of Allegiance. This exemplifies one of the many freedoms the Social Science department impresses on Murphy students in American history and problems of democracy. American history, required of all junior students, gives the heritage and customs of America. Problems of democracy, mandatory for seniors, imparts working knowledge of government and economics. Even though no course is required of sophomores, many tenth grade students elect the world history course because of its great value in future studies.

In addition to the material covered in the textbooks, the Social Science teachers give a thorough course in current events, which inform the students of the world situation and encourages good reading habits. All of these studies help in preparing Murphy students for a life of responsible citizenship.

MISS NANCY N. WALL, French, German; King College, B.A., U. of Alabama; German Club

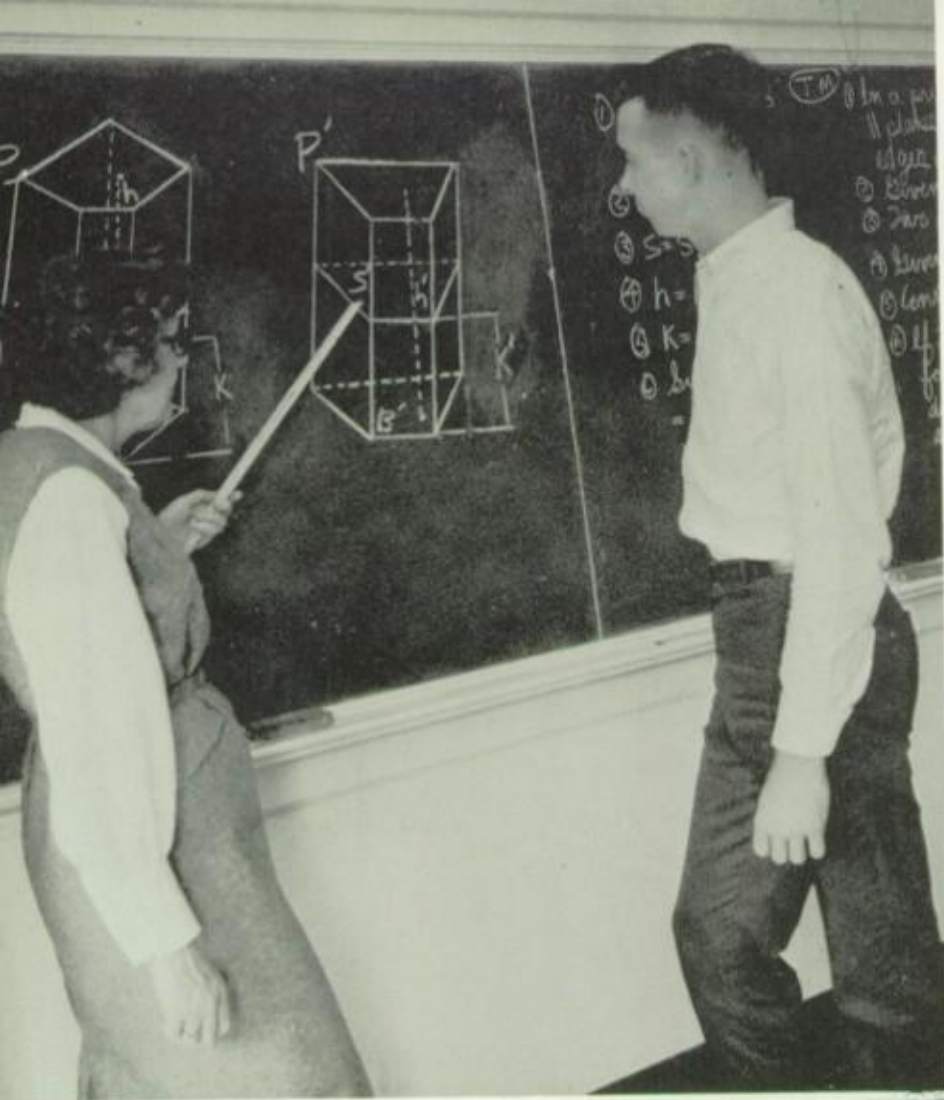

MISS ANNIE LOU WHITE, French; M.S.C.W., A.B.; French Club

Oral foreign language practices stream out of the language laboratory which has been installed to teach students of French, German, and Spanish the spoken word more effectively. The laboratory makes the use of audio-lingual materials possible in language courses. Latin is offered for four years and affords students an opportunity to learn about this ancient language and the Mediterranean civilizations from which our own culture has originated. The four language organizations introduce pupils to the customs of the country whose language is being studied.

Unbroken Silence

Mr. Griffin explains the slope-intercept method for graphing a linear equation to his algebra class.

MRS. JOSEPHINE WILKINS, Algebra, Plane Geometry, Trigonometry and Solid Geometry; M.S.C.W., B.A., U. of North Carolina, M.A.

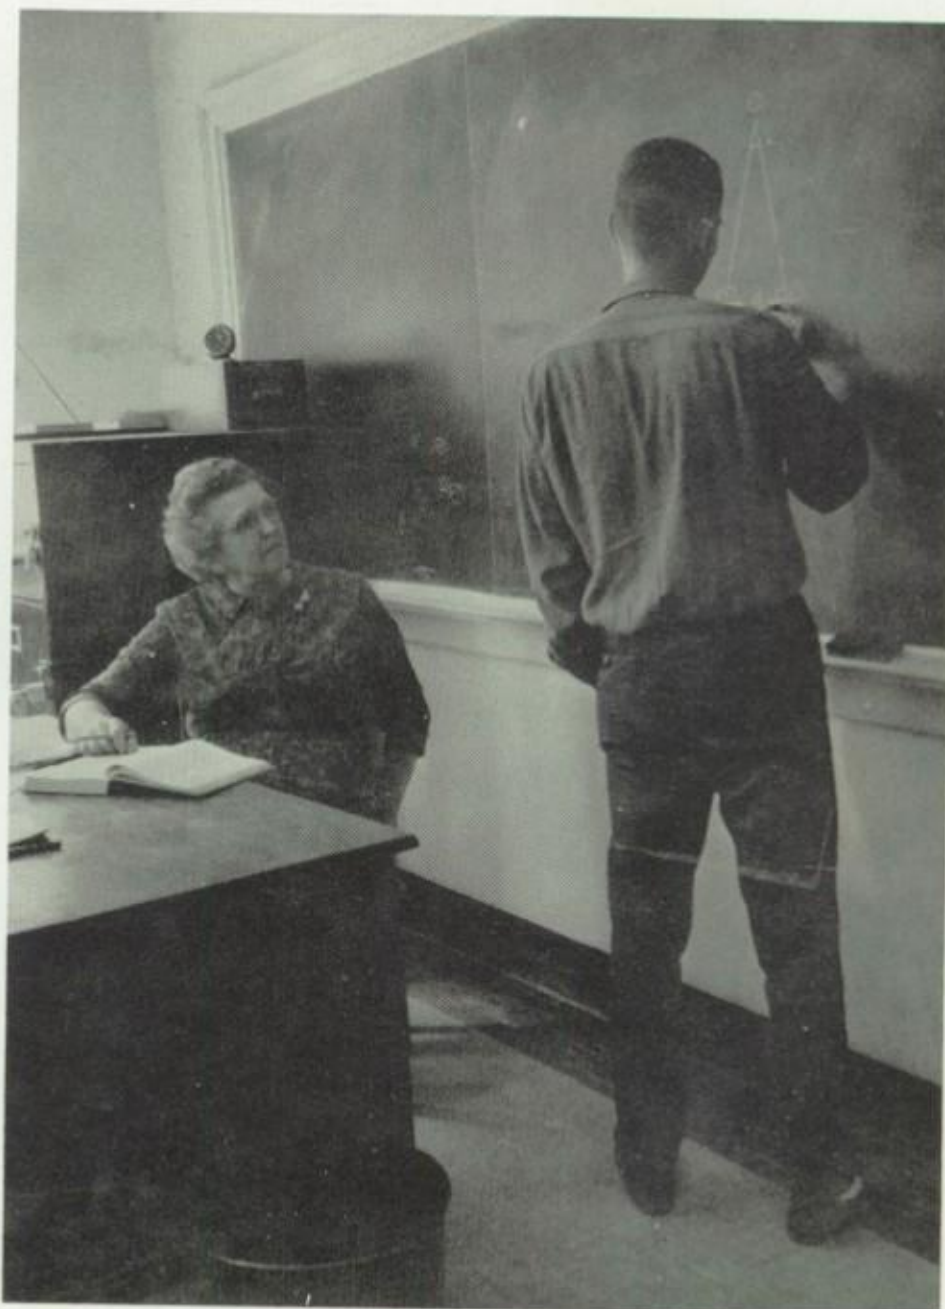

Math has become one of the most essential courses to students in modern day education. Only sounds of concentration can be heard in the math building. Unbroken silence of deep attention is detectable in trigonometry or a new college course of Algebra III. Clicking of chalk on the blackboard can be heard in a combined course of plane and solid geometry, available here for the first time this year. Compasses rotate while protractors squeak in classes of Algebra I, II, and arithmetic.

Mr. McCann corrects papers while his trigonometry class takes a test.

Miss Gunter assists a student in proving that two triangles are congruent.

Emphasis Placed On Teamwork

Water splashes from the pool, balls bounce and tumble on the floor, tennis shoes scuff, and "dressed and clean" echoes from the roll call line. The laughter, whispers, and good times of gym students are some indications of pleasure taken in the Physical Education program at Murphy High School.

Thirteen instructors, each greatly interested in the progress of his pupils, compose the department. Emphasis is placed upon development of physical well-being, sports, and team play, and an ability to work with others.

Mr. Dees supervises the work of Ray Tillman as he cuts a piece of sheet metal.

Busy Workers

From the wing of Murphy known as the Tech Building come the buzz of a hack saw and the pounding of a hammer. Directed by Mr. Elton Stephens, the Vocational Department offers to students courses in diversified occupation, distributive education, sheet metal, machine shop, radio electronics, auto mechanics, and drafting. The D.O. and D.E. Clubs as well as a newly formed affiliation with the National Distributive Education Clubs of the U. S. encourage each student to progress in his field of study—sales or trade. An active department of almost three hundred participants is thus enabled to assume qualities of good citizenship, to contribute to the community, and to acquire earnings sufficient to maintain a secure and prosperous future.

Mr. Neel's drafting class gains valuable experience by learning to use surveying instruments.

Mr. McKnight checks the repairing of a motor.

Mr. Cleveland, radio electronics teacher, answers a question about transmitters.

Mrs. McIlwain helps her business law class review for their mid-term examination.

Assisted By The Commercial Department

Buzzing machines, clicking typewriters and rapid note taking are heard in the Commercial Department headed by Miss Carol Purifoy.

Increased emphasis has been placed on office machines this year. Students now have the unique opportunity to learn the operation of any machine in any business office. This is one example of the continuous expansion of this department. Not only does it cater to Murphy's future business worker, but it helps the college-bound senior through a course in elementary notehand additionally.

Mrs. Savage checks Jeanette Minton's speed test.

Mrs. Jones, office machines teacher, assists Joyce Norris with lesson number 11.

Enrichment Courses Offered Students

Headed by Mr. W. Sitz, the Industrial Arts Department strives to instill in students the appreciation of manufactured products and to increase the knowledge of the consumer.

In the environment of materials and tools, students saw wood to make tables, tool leather, weave baskets, mold clay, and make papier mache articles. This department encompasses various courses such as art, mechanical drawing, crafts, machine shop, woodworking, and metal working. These enrichment courses are one other phase of the general education program at Murphy High School.

Mr. Usry pauses and listens to the buzz and whirl of motors in the machine shop.

Miss Stapleton checks the ceramics made by Suzan Courtney, Diana Fountain, and Danny Long.

Lab Work Stressed In Science Courses

Shrieking voices are often heard amid the bubbling test tubes and deafening explosions which frequently emerge from the laboratory. Over seven thousand dollars has been spent on new laboratory equipment this year. Murphy's students are learning to use such instruments as oil immersion microscopes, compound microscopes and a microtome.

In addition to the regular curriculum, the Science Department is offering for the first time this year courses for advanced students in biology. The Biological Sciences Curriculum Study teaches students to reason scientifically—not to memorize many facts which are unrelated. Homemaking 2 and 3 and Home Planning are also offered.

Department Raises Cultural Level

Harmonious voices and instruments characterize the Music Department which is steadily raising the cultural level of all Murphy students. At assembly programs, operettas, and concerts, the melodious voices of the Special and the Girls' Choruses and the music of the orchestra are heard. Murphy's band, which is led by Mr. Jeffers, is both heard and seen as it marches onto the field gayly playing spirited songs at football games and pep rallies. These sounds and many others—long to be remembered—are heard at the programs sponsored by the Music Department.

This year, for the first time, Class Voice is being taught at Murphy. Under the leadership of Mrs. Peter, students enrolled in this new class are learning to do solo work. This way of teaching vocal technique is very similar to teaching private lessons.

Silence Is Golden

Because of its quiet atmosphere, the library differs from other parts of Murphy. It is here that students come to seek the information needed for a sound education. Assistance in locating reference material is readily given by Miss Gatlin. Mrs. Burnett aids students in finding both fiction and non-fiction books. Cataloging the reading material is done by Miss Vickrey.

The librarians want Murphy students to develop a sense of consideration for other people. They feel that this quality will enable everyone to find the material he needs. Although few students realize it, librarians are interested in people and books.

Bertha Junior and Lorine Pley fold towels in the girl's gymnasium.

Swishing and swashing of mops followed by the steady humming of polishers can be heard echoing through the corridors of Murphy High School. Consisting of four trained janitors and thirteen maids, the maintenance staff operates under the apt leadership of Mr. Grice. Washing windows, sweeping walks, and cutting grass are the duties of the ground and building crew. Clattering dishes and banging pots and pans can be heard in the cafeteria while the lunchroom crew prepares and serves meals under the supervision of Mrs. Stapleton. The general repairs and upkeep of the campus are the responsibilities of the janitors. Beginning work in the middle of August, the active maintenance staff continues working until the first week of June. The staff worked on the beautification project with the student body. Appreciation is extended to the capable workers of the maintenance staff for their effort to make Murphy a showplace of the South and a landmark of Mobile.

When Murphians are inducted into honor societies, make dreams and memories to the tune of the latest hits at the Junior-Senior Prom, and attend an annual musical, they are always keeping Murphy's heart and spirit alive. In these and many other extracurricular activities more than elsewhere, that elusive spirit and heart vibrate with song and dance, enlightened talk, and even excited screams, mirthful laughter, and sighs of relief.

Murphians conclude assembly with enthusiastic cheer.

Opening Assemblies Orientate Students

To accustom the newcomers, a group of eager and yet anxious Sophomores, with the policies and rules for students was the purpose of the opening assembly. As they attentively listened and watched, the administrators presented informative talks on Murphy procedure, curriculum and testing.

The new guidance program was explained and it was stressed that all students avail themselves of its opportunities. Mr. Raymond B. Taylor heads the administration as principal, and in his address he urged assistance to uphold and maintain Murphy's high standards by abiding by the rules.

Sophomore officer candidates, Roy Benton, Sherry Chamberlain, and Jimmy Robinson, give speeches.

Cheerleaders, Barbara, Jane, Danna, and Joy lead the chorus of faithful Murphy supporters.

Spirited Cheers Fill The Air

Murphy's spirit bottle overflowed with animated cheers each time its top was uncorked. This new spirited idea was introduced at the annual Homecoming pep rally. Both the queen and her court were announced, and all Murphy students were urged to come to the game that night. At another pep rally, held after the Murphy-Vigor game, a member of the Vigor Key Club presented Murphy's student body with the traditional football trophy. The victorious Panthers proudly accepted the trophy and expressed the wish that it remain at Murphy.

Singing Murphians Leave On Bus Trips

Suzanne Powell checks to see that everyone is on the bus.

Singing, cheering Murphians left Mobile at 3:00 o'clock Friday afternoon, November 1 for Montgomery, Alabama, and our celebrated football game against Sidney Lanier High School. Led by representatives of the Student Council and cheerleaders, spirits were elevated even higher before the stadium was reached. After the Panthers smashed the Poets, there was no slowing the elated Murphians, and even as the buses neared Mobile at 2:00 o'clock Saturday morning echoes of Murphy's fight song and alma mater rang through the streets.

A similar and equally victorious trip was made to Pensacola, Florida for the last game of the season. Again the Panthers conquered their opponents, adding the extra measure of excitement to the trip home for the Murphy students.

An active Representative Council—the backbone of Murphy.

Convention

Whispering voices are hushed as the banging of the gavel opens every Student Council meeting. Both a Governing Council, composed of the four Student Council officers and all class officers, and a Representative Council, composed of the section representatives, make up Murphy's Student Council. To promote Murphy's school spirit, the council planned bus trips to Lanier and Pensacola football games, sold blue and gold shakers, collected School Spirit Petitions for a contest sponsored by a local radio station, and sold stationery with a picture of Murphy on the front.

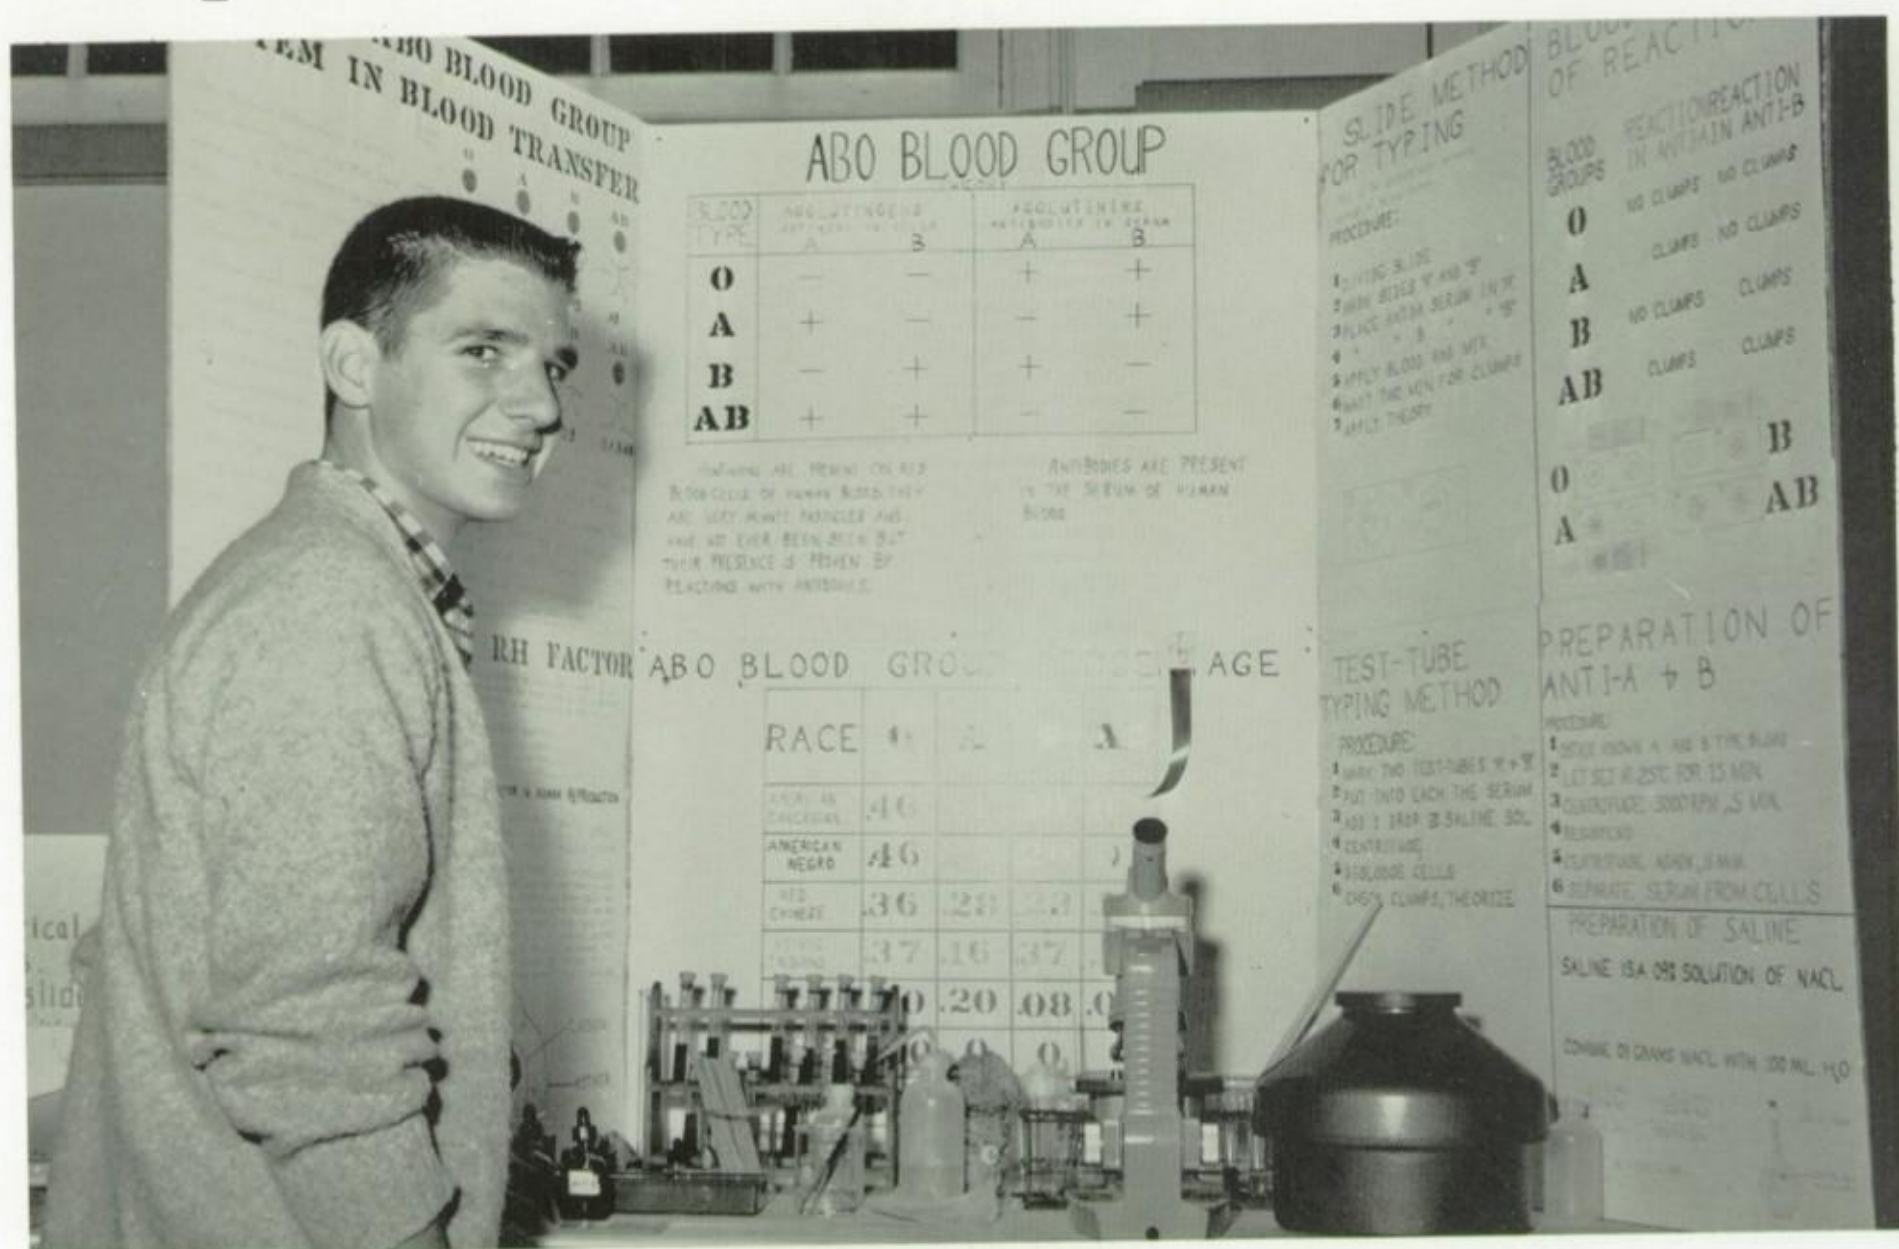

On April 16-19, the Alabama Association of Student Councils held its convention at Murphy. Fourteen committees were set up to work on the convention, which was the main project of the year. As host of the convention, Murphy's student council gladly welcomed over five hundred delegates.

Sophomore Jackie Jerome Wins Science

Scott Wilson explains his project "Blood Typing and Grouping," which took first in chemistry.

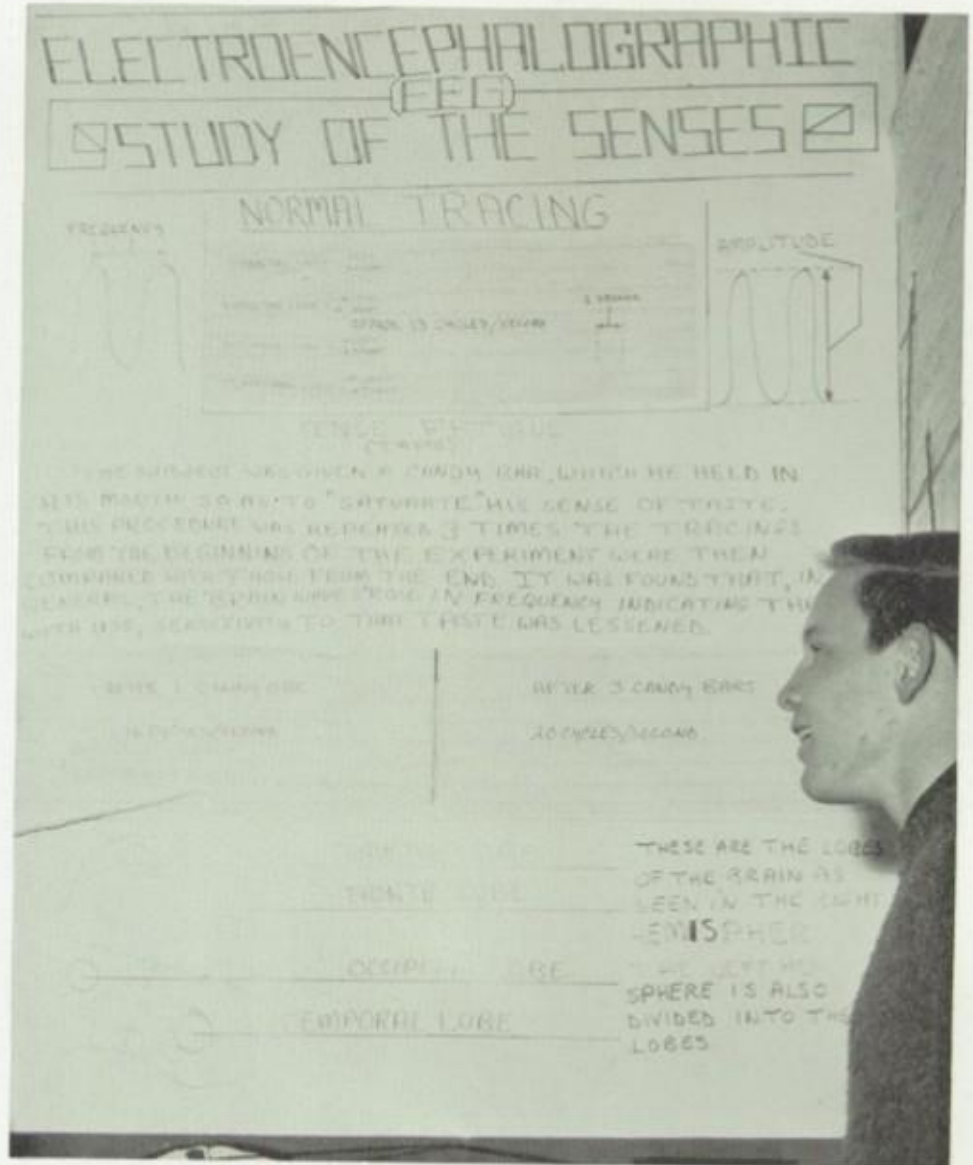

Silence prevailed in the Biology Hall during the Murphy Science Fair. In the field of chemistry, Scott Wilson won first place with his project "Blood Typing and Grouping." In mathematics, Bobby Passmore's "Infinite Dimensional Graph" took first place. Second was Leighton Derr and third Rod Farb. The first place in physics was won by David Revere for his project "The Measurement of the Speed of Sound." Arley Hamilton won second place, and Dan Crane won third place. "A Two Year Study of Radiated Rabbits" by Jackie Jerome was the first place winner in biology. Second place was won by George Cole and third place by Tom Meyer. Jackie Jerome's project was voted the most outstanding project of the fair.

Carols Through Murphy's Halls

Gay laughter, festive music, gleeful singing, and merry shouts typified the spirit of Murphians as the Yuletide season approached. The Special Chorus and the Orchestra added to the gaiety with a program of Christmas music presented to the student body in three assemblies. The halls were brightly decorated as each section competed for prizes awarded to the cleverest doors. Murphians demonstrated true Christmas spirit as they filled a number of baskets with food, clothing, and toys for needy families in the Mobile area.

Interested Parents Attend Reception

Mrs. Poole relaxes after P.T.A. reception.

Thursday, October 17, was the night of the first Murphy P.T.A. meeting of the year. The officers for the coming year were introduced, and the parents and teachers assembled in the auditorium were welcomed by Mr. Taylor. Then a brief business session was conducted.

After the meeting was adjourned, the parents and teachers proceeded to the cafeteria for the reception. The teachers were grouped alphabetically for easy location by parents, who used as guides their children's schedule cards. Student hostesses served refreshments as parents and teachers became acquainted.

The reception, which was attended by several hundred, afforded interested parents an outstanding opportunity to meet their children's teachers and discuss with them any particular problem that their children were encountering in their work.

Eight Murphy Seniors Qualify

Silence prevailed in March as many Juniors took the National Merit Scholarship Qualifying Test. This September nine Murphians were notified that they were semifinalists. Price Russ, Jean Clarke, Pat L. Carter, David Shirley, Dan Crane, Lia Vellianitis, Bobby Howle, Lynne Mueller, and George Fields are located in the top two thirds of the top one per cent of high school seniors in the country.

Finalists Jean Clarke and Amalia Vellianitis enjoy the first warm weather of spring with their friend Humphrey, Murphy's mascot.

As National Merit Finalists

» The semifinalists must turn in a personal reference form and an autobiographical record by November first of their senior year. They must turn in a financial report and also take the Scholastic Aptitude Test in December. Every semifinalist is made a finalist after the above two steps. Ten per cent of the finalists obtain scholarships. However, a list of all semifinalists is sent to all colleges.

Senior Girls Participate In Pageant

Muted voices filled with anticipation and the buzzing chatter of excited students backstage added to the anxiety as thirteen senior girls prepared to be presented to the senior class. These thirteen, as well as three others not present for this assembly, were competing for the privilege to represent Murphy in Mobile's famed Azalea Trail Pageant. They had been selected through a series of eliminations from a group of seventy girls who were nominated to take part in the competition by their section teachers. Eight of the sixteen girls were selected by the senior class after the assembly. These eight girls then entered competition with girls representing the other Mobile County high schools, and five of them Diedra Donald, Bonnie O'Donnell, Becky Greer, Melissa Robertson and Becky Spottswood, were chosen Azalea Trail Maids.

Azalea Trail aspirants Bonnie O'Donnell, Judy Jerome, and Mimi Lafree wait backstage to be introduced to the senior class.

Thirteen of the sixteen semifinalists chosen from Murphy High are: K. Whitespunner, M. Robertson, S. Kelley, J. Polawada, D. Lavender, B. Greer, D. Donald, J. Jerome, M. Lafree, B. O'Donnell, S. Powell, B. Spottswood, H. Wooldridge. Not pictured are L. Rutland, S. Long, and S. Kimbrough.

Murphian Chosen Lady-In-Waiting

When "Miss Azalea Trail" for 1964, Janice Fayard of Bishop Toolen High, was officially crowned on November 23, Bonnie O'Donnell was named as one of her ladies-in-waiting. Then during January and February, Bonnie traveled with Janice and another lady-in-waiting, Ann Smith, on a tour sponsored by the Mobile Junior Chamber of Commerce to promote the Azalea Trail and America's Junior Miss Pageant. In each of the eight states which the girls visited, they charmed audiences with their graciousness and winsome smiles.

Gay music by the Highlights combined with jovial laughter to make the 26th Annual D.O. Employer-Employee Banquet an event to commemorate. This year the Murphy D.O. Club invited the D.O. and D.E. clubs of Vigor, and the D.E. club of Murphy, to join them in honoring their employers. The banquet was held at the Admiral Semmes. Among the honorees were the Murphy D.O. and D.E. club sponsors, the Vigor D.O. and D.E. club sponsors, and Mr. and Mrs. R. B. Taylor. Mr. Bob Palmer, well known for his helpful service in the D.O. clubs, was the guest speaker at the 1964 Banquet.

Dedication of 1964 MOHIAN Announced

Hushed whispers rose from the audience as the curtains parted, revealing the skyline of Mobile glittering in the twilight as a backdrop for a patio scene overhung with Spanish moss. The scene was the setting for Murphy's fifth annual Panther Spirit Night, presented by the MOHIAN Staff on Friday night, February 14, in the school auditorium.

Mr. Jack Crisp, the emcee for the evening, began the presentations with the introduction of the candidates for Sophomore, Junior, and Senior Class Favorites, which was followed by the introduction of thirty-eight Outstanding Seniors as selected by the faculty.

A highlight of the evening was dedication of the 1964 MOHIAN to Mr. R. B. Taylor, Murphy's principal and faculty member for eleven years. The candidates for Mr. and Miss Panther Spirit were introduced, and the program reached its conclusion as the top officers of the 1965 MOHIAN were announced.

Fun And Gaiety Highlight P.S.N. Dance

Music drifted across the Murphy campus as the Panther Spirit Night dance began. In the cafeteria, which was decorated to portray Old Mobile, Murphians and their friends danced to the latest tunes while the votes for Mr. and Miss Panther Spirit were being counted. When the anxiously awaited results of the tabulations were announced, Gwinelle Phares and Tom Hart were awarded the trophies inscribed with their newly-won titles—Mr. and Miss Panther Spirit. The gaiety and excitement then continued until the dance concluded at midnight.

Fanfare introduction of the '63 Homecoming Court and crowning of Queen Bonnie O'Donnell brought Panthers' spirits to a high pitch at the field assembly Friday afternoon. Further adding to the excitement were a pep rally and car parade which really put Murphians in the mood to "Swat the Yellow Jackets" at the game that night. Fate played right into the hands of the Panthers, for with their halftime lead victory seemed certain, and Murphians enthusiastically paid a tribute to their homecoming court as the maids and escorts were presented to the public. Gaiety Reigns At Murphy Homecoming

Loyal Murphians cheer team to victory.

"It was nothing," says Dobie to a covey of admiring girls.

The Four Arts Club

Applause echoed through Murphy's auditorium as the curtain fell on the Four Arts Club production of *The Many Loves of Dobie Gillis*. The delightful adventure of the "incorrigible Dobie," the schemes of beautiful Helen, plus the stupidity of Petey and the helpfulness of Bonnie assisted in tangling the play into hilariously funny situations.

Dobie is a midget of a fellow who has the odd knack of getting into nothing but trouble and having a hard time getting out. When he decides to hire a big name band for a school dance and to win the heart of naughty Helen, the result is disastrous. Everything worked out in the end.

Mrs. Delaney advises, "Hit your nouns."

Petey helps Adele with her suitcase.

Gives "Dobie"

"We fracture the people."

"She's free at last."

Tim Osborne and Sharon Varhley touch up.

The voices of the OKLAHOMA cast ring out as

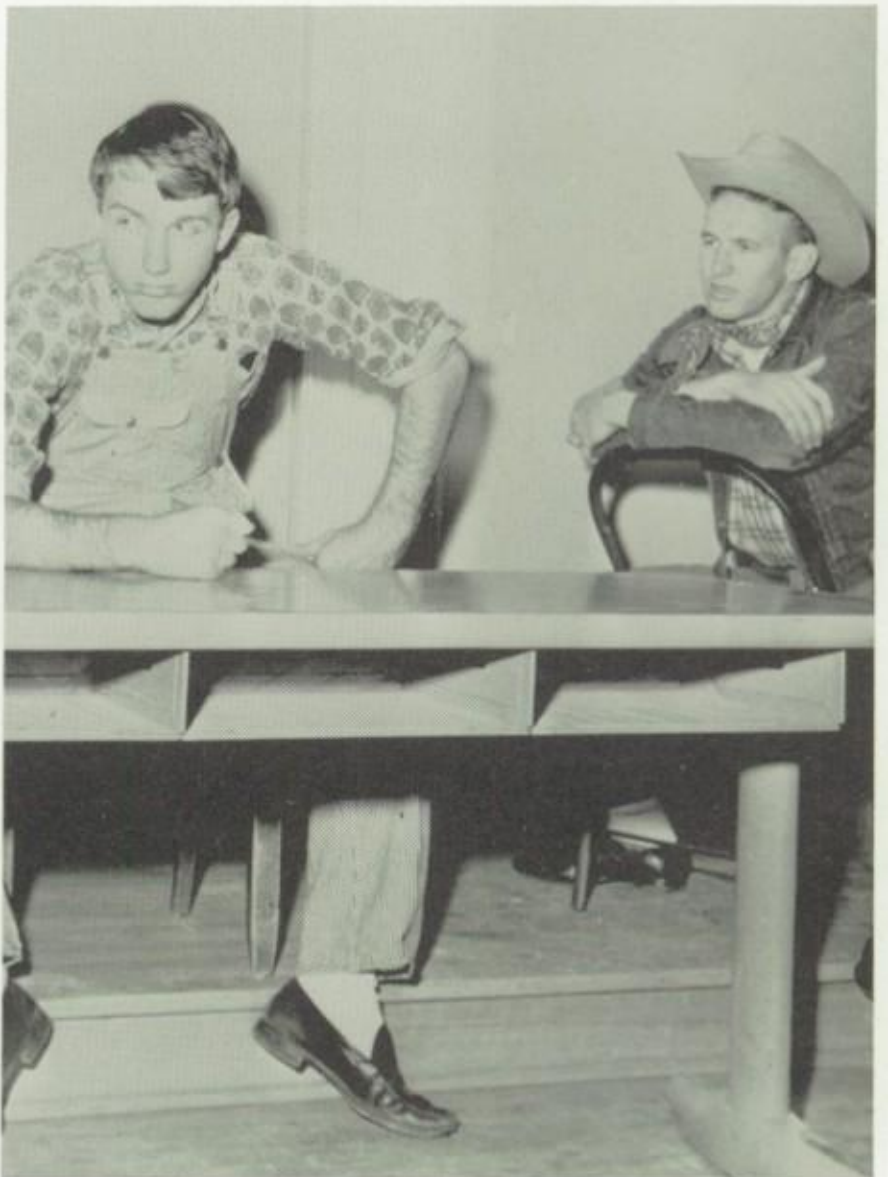

Sounds Of OKLAHOMA!

From the center of the Murphy High School stage came voices raised in "Oh, What a Beautiful Morning,!" excited bids for Annie's box supper, the suave language of Ollie the Peddler, the sad ponderings of "Pore Daid Jud," and the lyrical duets of Laurey and Curly as the music department gave its presentation of Rodger's and Hammerstein's "Oklahoma!" With the leadership of Mrs. Myrtle Peter and combined efforts of the band and music students the Oklahoma farmland was brought to life in the Murphy auditorium. The colorful persons of cowboy Curly, murderer Jud, Ado Annie and her miserly father Andrew, Ollie the peddler, and Aunt Eller's niece Laurey, united in performances beginning March 24, 1964. A yearly event, the operetta involves a large cast, a great deal of practice, and hours of planning in order to perpetuate the traditions of the Murphy High School production.

Typewriters Click

Rhythmic typewriters and clicking cameras, the hustle of busy students, and the guiding voices of editors and managers are prominent sounds as the 1964 *Hi Times* staff prepares an issue of Murphy's top-ranked newspaper. The editorial department, headed by Judy Cherniak and the business department, managed by Price Russ and Mentor Catlin, comprise a staff publishing one of the finest high school papers in the nation. This fall for the third year, the *Hi Times* won "Excellent" rating in Class A competition at Alabama's High School Press Association Convention. This award sustains a previous record of over thirty national and state awards over a fifteen year period. Under the supervision of Miss Evelyn Hinz, this year's staff is concentrating on a newspaper of a more vivid make-up.

In addition to staff work, these students have also assumed the beautification of Murphy's courtyard and pool.

Constant mumbles, grumbles, and occasional yells echo throughout Murphy's MOHIAN room every day, as the thirty-eight staff members type triplicates, count characters, draw layouts, and write cutlines. Under the capable guidance of Miss Foster, the twenty-six seniors, who are aided by twelve juniors endeavor to portray all of the outstanding events and activities of the school year accurately. Members of the staff often work after school, at night, and on weekends struggling to meet the last-minute deadlines. By combining coordination, spirit, and patience, the MOHIAN staff is able to sell ads, hold the subscription drive and sponsor Panther Spirit Night. Choosing as this year's motto, "Look for more in 1964," the staff strives to introduce new methods and to improve old ones.

Clicking cameras and the noisy ringing of typewriter bells typify the opening of school and the beginning of the historical record of the school year, The 1964 MOHIAN. The early Spring of 1963 found the 1964 staff attending weekly planning workshops for the purposes of acquainting the staff with the yearbook, and to begin laying the ground work of the annual. Receiving instruction from workshops in Tuscaloosa, New York, Florida, and Chicago, the MOHIAN staff used the accumulated information for careful planning of our book.

Melodic Strings Rate All-State Award

String and wind instruments combine as melodious tones when the Murphy orchestra plays both classical and popular music for the entertainment of fellow students. Mr. Charles Manchester, Director, trains the thirty-five orchestra members in the history of music as well as in the mechanical skills of playing. All members must have a fundamental knowledge of music, and each must show a degree of mastery on an instrument. Besides providing music for the school play and the operetta, the orchestra presents the Christmas program for the TB Hospital, a spring concert, and represents Murphy in the All-State Orchestra.

Rhythm With A New Director

Mr. Jeffers talks with former student, Don Bailey, at the Pensacola game.

Murphy has a marching band that creates a spirit of excitement in the hearts of people who delight in good music and makes listeners aware of memories of their alma mater. Drum major Bill Provost produces the shrill sound of a whistle to start each half-time show as Murphy's new band leader aids participants on the field by giving directions with the wave and rap of his stick. The new director this year is Mr. Lee Jeffers.

Batons Swish As Crowds View Twirlers

During this year's football season, people at the games viewed Murphy's majorettes while these talented girls performed many technical routines for the pleasure of the crowd. The majorettes added sparkle and enjoyment to the entertainment of the lively marching band. A rhythm of tramping boots and twirl of batons helped to regain spirit in the

hearts of all. These misses also make up their own routines.

The sponsor and director of the group, Mr. Lee Jeffers, had the task of selecting three girls who were best qualified for the opening according to their ability to play some band instrument and continue in the "A" band.

Each year as the words, "I light the candle of Scholarship from the Eternal Flame of Knowledge," are heard, a hushed silence falls over the audience, while Murphy students respectfully witness the induction of National Honor Society members. To attain membership a student must possess the qualities of character, leadership, service and scholarship in the form of at least a 3.5 grade average and

a top five percent ranking for juniors and a top ten percent for seniors.

In memory of their late sponsor, the Murphy National Honor Society named its chapter the Inez Langham Memorial Chapter. As faculty advisor for thirteen years, Mrs. Langham will be remembered for her real interest and unselfish work in National Honor Society.

Often found exchanging views on their respective publications are members of Murphy's Quill and Scroll. This international society is organized as a means of recognizing exceptional high school journalists, and is sponsored by Miss Evelyn Hinz.

Those staff members who have a "B" average for the last semesters of English, and who have been recommended by the supervisor of their publication are eligible for induction into the society. The induction takes place in early February.

Speakers: Katherine Enger, Carmen Castiglione, Lisa Via, Martha Stevenson, Ginger Heacock, Mary E. Adams, Diane McCoy.

Patient MOHIAN photographer Dan Hanson receives honorable mention scroll from Quill and Scroll.

Silence prevailed over the entire assembly as Quill and Scroll invited those juniors and seniors who had done outstanding work on the MOHIAN or Hi Times staff to join this international journalistic organization. A formal ceremony acquainted inductees with the eight ideals of the society: truth, leadership, initiative, learning, loyalty, friendship, integrity, and judgement. The purpose and accomplishments of Murphy's newspaper and yearbook were then set forth by their respective editors, after which Scrolls of Merit were awarded Mr. Taylor and outstanding students.

Only the gentle rustle of a paintbrush as it glides along the smooth paper, breaks the silence of the regular monthly meeting of the Fan Randlette Art Honor Society. The members watch art demonstrations designed to encourage art students to reach higher standards of achievement. The F.R.A.H.S. recognizes artists at Murphy and tries

to foster an interest in the fine arts. Besides participating actively in the Mobile Art Honor Society, it also serves as an officer. Excitement exists at the annual induction and extends into the gala party following, in the inductees honor. Members are selected on a competitive basis, according to club sponsor Miss Kennedy.

Inter-club Council Aids Presidents

Mrs. Ann Mitchell, sponsor, discusses the fundamentals of Parliamentary law with Josie Rush, Tom Hart, and Donna Renaud, officers of ICC.

From the banging of a gavel to the motion for dismissal, the Inter-Club Council members receive training needed for running their organizations effectively. One must be president of an organization at Murphy High School to be a member of this council. At the meetings mutual problems are discussed and a solution is arrived by pooling the best advice of all the members. Problems worrying Murphy students are accepted by individual clubs

as projects, so that several clubs will not try to work on the same projects. The setting up of a calendar composed of the names of Murphy clubs, sponsors, presidents, meeting places, and dates is a yearly project of the council. Through the entire school year the Inter-club council offers its members a chance to learn good leadership and parliamentary procedure.

Voices Ring At Key Club Hootenanny

First row: John Powell, John Barrett, Beverly Shearer, Sweetheart; David Inge, Boyd Vaughan, Preston Jump, Stilly Knight, Don Siegelman; Second row: Tom Galloway, Thomas Myers, Jim Holmes, Eddie Hart, Dan Crane, Tom Hart, Richard Roshto, Vernon Britton, Ricky Cunningham, Andy Chapman.

Guitar music and the voices of Murphy students filled the auditorium in early November as the hootenanny sponsored by the Murphy Key Club got under way. The hootenanny was only one of several projects undertaken during the year by the Key Club in its program of developing leadership and good citizenship in its members and serving the community. Club members trick-or-treated for

UNICEF at Halloween and raised money for the March of Dimes during January as service projects.

Murphy's Key Club is a member of Key Club International and is sponsored by the Mobile Kiwanis Club. The thirty boys which comprise the club's membership are chosen on the basis of scholarship, citizenship and leadership. Mr. Richard Heffington is faculty advisor.

Club Ushers For Civic Programs

Tom Hart, President; Arthur Cronenberg, Secretary; and Alan Olsen, Vice-president prepare for Dobie Gillis.

Members of Murphy's Usher Club can usually be found where the Mobile Symphony Orchestra is tuning up, programs are being given out at Joe Jefferson Playhouse, or the Civic Ballet is preparing for a performance. The members of this busy organization are chosen by their teachers for good character, high scholastic standing and leadership qualities, and their activities include ushering without charge at the non-profit civic programs when requested. The club, now led by Tom Hart, offers Murphians opportunity for cultural development and community service. Sponsored by Mrs. Frantzen, one of their projects this year has been to paint new numbers on the back of the seats in Murphy's auditorium.

Monitors Help Maintain School Rules

Each morning members of the Monitors Club can be heard insisting that students support the school rules and remain out of the halls before school begins for the day. To become a monitor, a student must have an amicable and co-operative personality besides a good scholastic average. Sponsored by Mr. Wilkie, the Monitors Club works with the Inter-Club Council and has participated this year in several school activities, including the doughnut sale at Christmas to help raise money for the party given for the exceptional children.

Officers: Leland Allen, Treasurer; Mr. Roy Wilkie, Sponsor; Emmaline Mitre, President; Eugene Smith, Vice-President.

Spike Shoe Club Begins With A Bang

Bobby Passmore, Marion McMurphy, Martin Rollins, and Mike Synyard officers, support Optimist Club by selling Christmas trees.

Gunshots herald the starting point of the Mobile Invitational Cross Country Meet, sponsored by the Spike Shoe Club each year. Composed of lettermen in either cross country or track, this club also stimulates interest in junior high track enthusiasts by conducting a Junior High Cross Country Meet annually. Another service performed by this group of energetic boys is acquainting potential cindermen

with track and field event procedures.

Before Christmas, in order to raise money for out-of-town competitive trips, the Spike Shoe Club sold Christmas trees. With helpful boosts from Murphy's coaches and the Loop Optimist Club, this project was a huge success. The boys and their supporters estimated that they profited almost one thousand dollars.

Bowlers Win In Tournaments

Strike! Make that spare! Suspense rings out as Murphy's Bowling Club engages in tournaments often with success! One of Murphy's thirty odd clubs, the Bowling Club this year participated in the Thanksgiving Tournament, the Christmas Tournament, which included doubles, mixed doubles, boys' scratch, and singles and in March, the National Mailographic Tournament. Sanction for its members by the American Junior Bowling Congress is required by the Bowlers Club, because the group is a member of the High School League.

Troupers Attend Civic Ballet

Discussions and analysis of dance programs seen on television and other media highlight the bi-monthly meeting of the Troupers Club. Members, each of whom has had five years experience in dancing, practice tap, ballet, and modern jazz dance routines in preparation for participation in such special school programs as the Christmas program and the musical *Oklahoma* in conjunction with the Murphy Special Chorus. Having become interested in the fine arts, the Troupers, under the sponsorship of Mrs. Jefferies, attended a performance of the Mobile Civic Ballet together.

Booster Club Cheers Panthers

Loud and clear ring the shouts of Murphy's most avid supporters, members of the Booster Club. By cheering at sports affairs, promoting trips to out-of-town games, selling Panther decals to Murphy's fans, and decorating goal posts before every football

contest, the enthusiastic Boosters declare their pride in all phases of Murphy's activities. One of the newest organizations at Murphy, the Booster's Club raises school spirit and encourages interest in sports events of every season.

Sharp whacks ring out each Tuesday as the Racketers practice at Crawford Park. The new club, which was organized this year, is working toward tournaments with tennis clubs from other schools. Miss McNally is the sponsor.

The purpose of the Murphy Racketers is to bring together at frequent intervals persons interested in

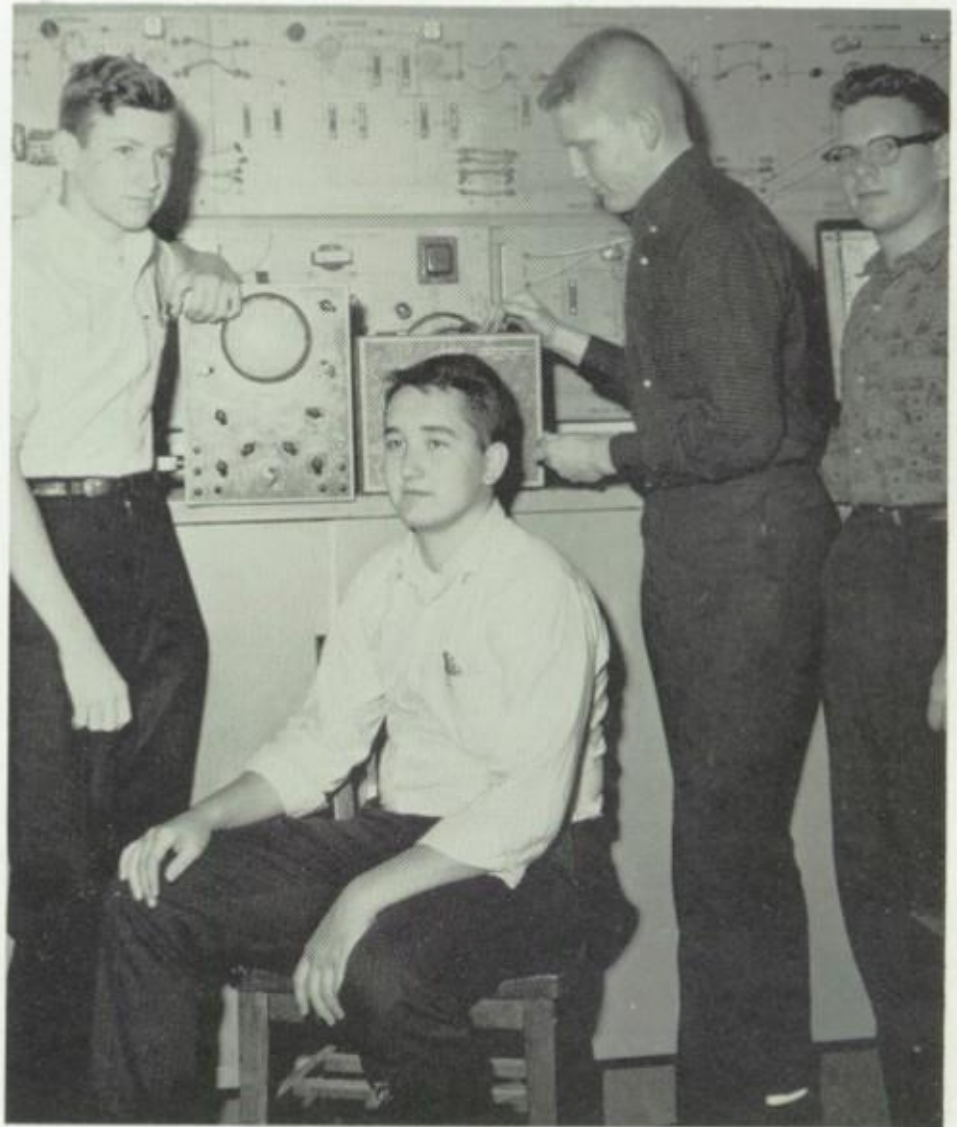

tennis in order to further the study and playing of the game. The only requirement for membership in the Racketers Club is an interest in learning how to play tennis and learning the fine points of the game. If the weather does not allow playing the game, the members practice strokes in the gym.

Members Communicate Throughout World

High frequency interference and static in radio reception are noises piercing the ears of the members at the meetings of the Murphy Amateur Radio Club. This club was organized last year to promote the study of radio communications and to encourage members to earn amateur radio licenses. Communications with other amateur radio operators throughout the world through a station maintained and set up by this club is the goal of all the members. Interested members advance their study of radiophony with the help of the licensed operators. After a period of study they are able to obtain their "H.A.M." licenses. Mrs. D. S. Jefferies, the club sponsor, is a licensed amateur radio operator.

Slide Rule Course Offered By JETS

Because the members of Junior Engineering Technical Society strive to promote interest in engineering and to realize its relation to the applied sciences, they sponsored a slide rule course in cooperation with the science club. At this course an engineer explained the uses of a slide rule.

By visiting different industrial areas and by hearing their own science symposiums, the JETS advanced their knowledge and interest in engineering, science, and mathematics. In the spring they sent representatives to the JETS national symposium held at Lansing, Michigan.

Clinking Beakers Announce Future Scientists

Clinking beakers and bubbling experiments announce the scientists of the future as Murphy's Chem-Bo-Phys Club provides a gathering place for students interested in a deeper understanding of the sciences. Headed by Price Russ and sponsored by Mr. Richard Tatum, the club ventures

closer to science through participation, experimentation, and field trips. Such projects as sponsoring the Science Fair, collecting specimens, listening to speakers, observing films, or visiting marine labs and Naval Air Stations have made Chem-Bo-Phys one of Murphy's most active clubs.

Spanish Club Members Hear Speeches

Pres., Nikki Thompson; Vice-Pres., Lyn Horder; Sec., Susan Rapier; and Treas., Linda Ganus plan the Spanish Club bulletin board.

Bill Porter and Tom Myers tell Spanish Club about their experiences as exchange students to Central America.

Spanish Club members have increased their knowledge of the world's Spanish-speaking nations this year by seeing slides of Spain and by talking with Latin American exchange students. A series of informative programs were presented by the club during the year. These included a Spring Hill College student speaking on communism in Cuba, and Murphy students Tom Myers and Bill Porter re-

porting on their experiences in attending a Guatemalan school last summer. Another program featured a refugee telling of his escape from Cuba.

Club projects for the year included participation in an international club party, and preparation of bulletin board displays to be used in Spanish classrooms.

Miss Mary Stovall serves as sponsor of the club.

Members: *First Row:* Diana Fishwick, Nikki Thompson, Linda Ganus, Susan Rapier, Amelia Ferniany, Mary Ellen Papageorge; *Second Row:* Pamela Batton, Lyn Horder, Ann Yeager, Martha Williams, Lucy Rutland, Amy Delaplaine; *Third Row:* Charles Bogue, Gene Ericson, Vicky Hudson, Anita Sellers, Kathy Lambert, Miss Stovall.

With the accompaniment of a guitar, French Club gaily sings "Dominique."

French Club Members Enjoy Singing

Singing popular French songs is a favorite "passe-temps" for members of the French Club.

Other programs, such as those on French children, cooking, ballet, and art, also help to familiarize students with French culture.

Having a paid membership of over one hundred and twenty students, the French Club is considered to be the largest club at Murphy. About twenty members attended the convention, held each year at the University of Alabama. Representing Murphy, these students competed with other delegates by presenting a skit and entering the competition.

Club Studies German Culture

Whether listening attentively to a speaker or singing enthusiastically, German club members are constantly seeking to further their knowledge of German life, language, and culture. Programs and activities are planned in an effort to promote interest and understanding of Germany. Activities for

the year have included a sale of authentic German cookies, made by club members, and a Christmas festival with food, games, and songs. Membership in the German club known as Der Deutscheverein, is open to any student who has a desire to increase his knowledge of Germany.

Club Joins Junior Classical League

One must recite ten lines of original Latin and take third or fourth year Latin to belong to Murphy's Latin Club. The club, sponsored by Miss Gay, studies the life, language and literature of the Roman people. Members are initiated in the early spring, and in May their annual banquet is held. This banquet is a replica of ancient Roman dinners. The club became members of the Junior Classical League of America during this year.

Y-Teens Devoted To Helping Children

Among the school trophies polished by Anne Bechtelheimer, Secretary; Jean Christopher, President; and LaMerle Curry, Treasurer, is their own Potato Chip Sales award.

Children's voices ringing with laughter or the muffled bustling sounds made by hospital personnel characterize the activities of the Y-Teens. Always glad to lend a helping hand, these girls are able to enrich themselves by serving others. Much of their time is devoted to helping exceptional children, furnishing equipment for the Mobile General's Pediatrics Ward, and working with the children at the Allen Memorial Home. At Murphy polishing trophies and selling potato chips during the annual sale occupy most of the Y-Teens' time.

Members: *First Row:* Sandee Taner, Linda Summerral, Brenda Chadick; *Second Row:* Gladys Frost, LaMerle Curry, Jean Christopher; *Third Row:* Beverly Harris, Anne Bechtelheimer.

Pre-Med Club Voices Taped

Members: *First Row:* Boyette Hunter, Gordon Boone, Sterling Barlow, Scott Wilson, Russell Hawes; *Second Row:* Sharon Dean, Jean Christopher, Judy Holley, Jamie Erhardt, Ann Selby, Ruth Heath; *Third Row:* Mimi Thigpen, Fred Savell, Robert Cowden, Ridgley Marriott, Lloyd Gardner, Tim Osborne, Randy Bryars, David Peterson, Ricky Chestnolwick.

In January of this year the voices of Pre-Med Club members were taped for a television broadcast by which schools across the nation might be introduced to the function and aims of such an organization: to acquaint students who maintain interest in medical careers with those opportunities which lie before them and to open the door to part-

time occupation and service of a medical nature.

Organized this year, the Pre-Med Club has entertained guest speakers in various fields of medical employment and traveled to Alabama School of Medicine and the Brookley Air Force Base Hospital. Such programs are designed to add to the knowledge of the student considering a medical future.

Officers, Sterling Barlow, Scott Wilson, Jeanne Christopher, and David Peterson leave for Birmingham for a tour of University of Alabama Hospital.

Club Members Study Bible History

Members: *First Row:* Nancy Lucius, Miss Hope, Sponsor; Carol Mills, Patricia Knapp; *Second Row:* Teresa Gerod, Sandra Merrill, Barbara Sobieski, Dian Lincks.

Members of the Bible Club, under the sponsorship of Miss Katharine Hope, meet twice a month in order to study the Bible and discuss its teachings, and by doing so, learn how to apply its principles in their daily lives. A great many of the club's programs are in the form of well-prepared

lectures given by Miss Hope on the various phases of Biblical history and their effect on the modern world. As a yearly project, the club takes pride in presenting a book on a religious theme to Murphy's library, and in addition encourages its members to support all school activities.

Club Wins Trophies At Tournament

Katie Watterson, V.-Pres.; Lia Vellianitis, Pres.; Nancy Hall, Sec.; Miss Marie Nichols, Sponsor; and Sharon Varhely, Treas. admire trophies won by Lia and Sharon at debate tournaments.

Resolved: Social Security benefits should be extended to include complete medical care. This national resolution was echoed from New Orleans to Tuscaloosa by Argument, Inc., Murphy's debate organization. This year the organization won second place as a school team and first place as a negative team at the Annual Hattiesburg Invitational Debate Tournament. Proud of this success, the group traveled next to the Howard College Invita-

tional Forensics Tournament, Mobile County Forensics tournament at Springhill College, and the Alabama High School Forensics Tournament at the University of Alabama. At these tournaments Argument, Inc. represented Murphy well.

Even though the club centers primarily on debate, opportunity is afforded for skill in extemporaneous, interpretative, and poetry reading also.

D.O. Takes Part In State Activities

Mr. E. C. Stephens sponsors the D.O. Club.

Students softly tiptoeing through the corridors of Murphy denote D.O. club members as they leave school to work at their individual jobs. The Diversified Occupations club provides means for a student with initiative to develop his talents and qualities of leadership and personality. The club participates in local, district and state D.O. activities, and is an active participant in activities at Murphy. At the beginning of the school year, a club meeting is held to decide on a project to be completed by March and on the dates for the annual banquet. Held on February 13, 1964, the Employer-Employee Banquet honored the members' employers. As done every year, Mr. and Miss D.O. for 1964 were announced at the dance held in April.

Children's voices give happy thanks for a Christmas party; Mobile businessmen speak on distribution skills; club members make plans to enter state-wide contests—these are various sounds for which the Murphy High School Distributive Education club has been responsible. Juniors and seniors enrolled in Distribution courses were also honored to be the hosts for a D.E.C.A. Leadership Conference in April. The D.E. Club recognizes as its primary aim the furtherance of interest and the development of leaders in the fields of distributive education.

Silent fingers fly nimbly over a notebook as the secretary of the Future Business Leaders of America records the minutes at a club meeting. The F.B.L.A. strive to provide its members with experience in both education and vocation as well as in leadership. This experience is gained through such activities as a tour of a local bank and a visit to a state vocational school. For the yearly projects, club members have been helping to promote the growth of F.B.L.A. clubs throughout the county and working for a 1964 Gold Seal Chapter. Membership consists of those students who are studying one or more commercial subjects and making an above average grade.

Future Nurses Tour School Of Nursing

Meeting on the second and fourth Thursday of every month under the sponsorship of Miss Elizabeth Green, the Future Nurses strive to inform interested students about nursing as a career. While learning more about community and personal health, the club's members also find out what the nursing profession requires and what opportunities it offers.

During the school year, the club presented many

informative programs and sponsored field trips as well. In the fall, representatives from local hospitals addressed the club, and in late October, the members were taken on a tour of Mobile Infirmary's School of Nursing. Delegates from this Murphy club attended the state convention of Future Nurses, which was held at the University of Alabama on February 7th and 8th. An installation banquet held in May closed the club's year of activities.

Red Cross Makes International Album

Officers Del Coles, Mary Ella Jordan, Gladys Frost, Pat Carter, Mrs. Ann Mitchell, Ridgely Marriott, Dickie Kellogg, David Wike, and Sandra Jones pack International Chest to be sent abroad.

As a member of the County-wide Council of High School Red Crosses, the Murphy Red Cross participated in area club activities and listened to lectures by speakers associated with the Mobile, Alabama Chapter.

For its annual projects, the Red Cross selected the International Album and Chest programs. These

programs which entailed making an album with area Red Cross activities and chest containing school and medical supplies for a foreign country were completed. Also, the Red Cross sent clothes to needy children, visited a home for exceptional children, and gave a Halloween Party at the Boys' Club, where they served refreshments.

Red Cross members willingly collect clothes and give parties for exceptional children.

Members listen intently as Mrs. Groom introduces renowned local artist and author, Mr. Julian Rayford.

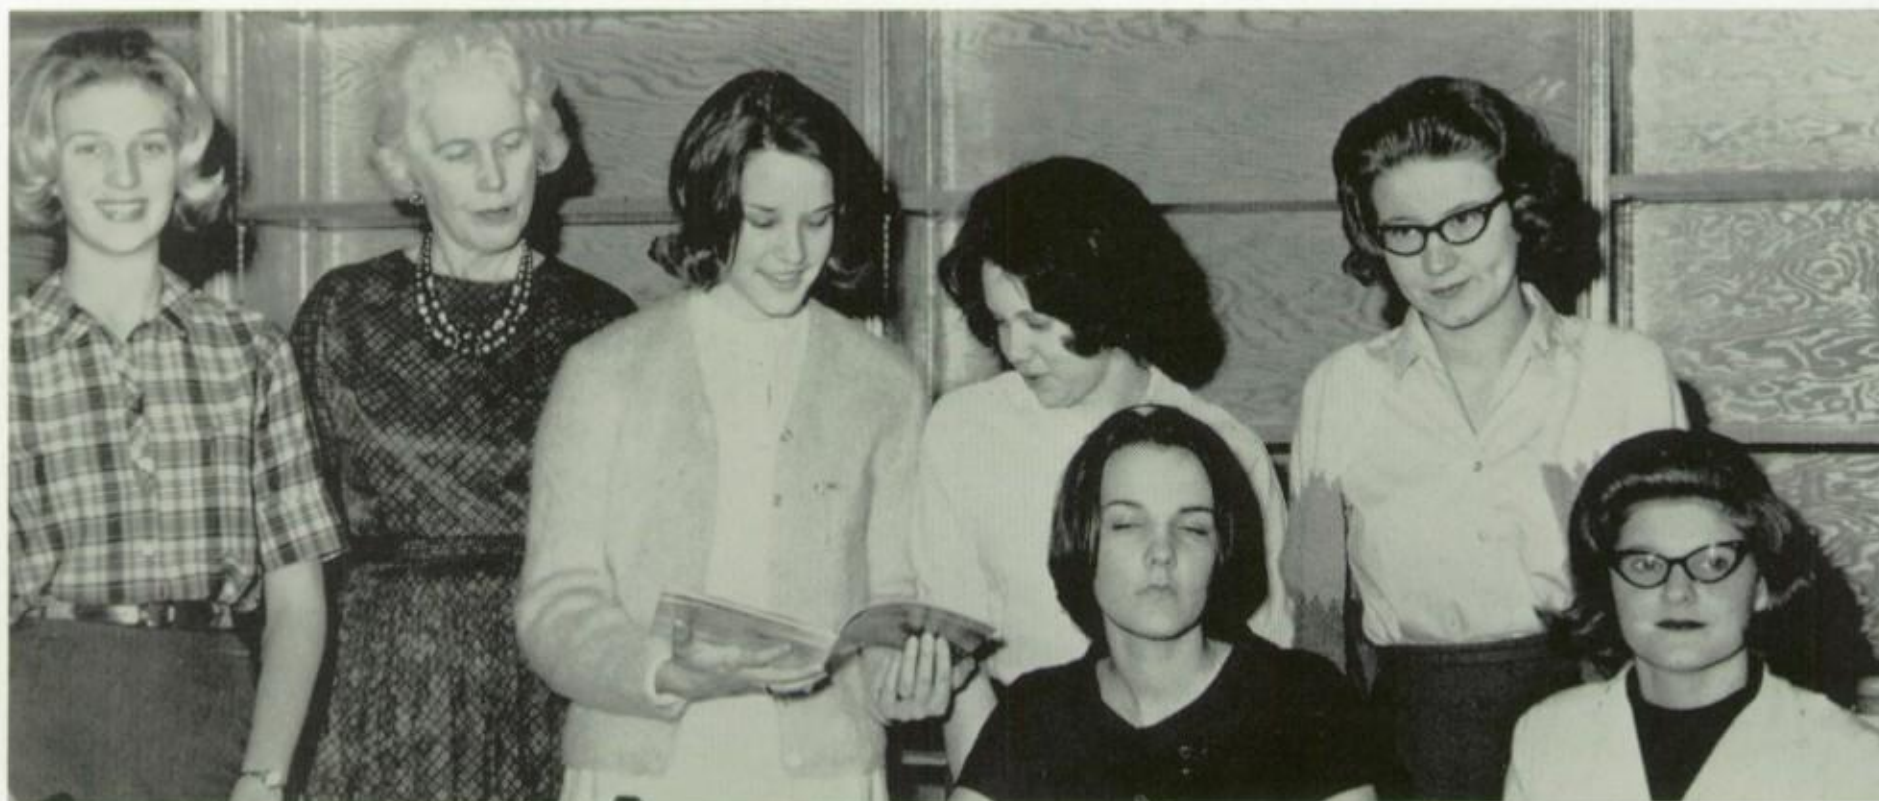

Historic Club Takes Many Field Trips

Sounds of restoration are common in Mobile at present. Murphy's Junior Historic Society stimulates an interest of these restorations in students. It is open to all students who are interested in learning historical points of Mobile and the surrounding area.

A skit, telling of past activities and of future

plans, was presented in October. Next the club sponsored a bus trip to Biloxi where the members toured Jefferson Davis' home. At Oakleigh the group presented a Christmas program for the Historic Mobile Preservation Society. Their final project was to give books of historical value to Murphy's library, so that all students would profit.

Voices being trained in mechanics of proper singing are those coming from Murphy's All Girls' Chorus. Directed by Mrs. Myrtle Peter, and in collaboration with the Special Chorus, the organization participates in the Christmas and Thanksgiving assemblies, and the operetta. This chorus also attends the Spring Festival and Easter services.

The Special Chorus rehearses for the Christmas program they presented for Murphians.

Jimmy Tucker, Ben DeVan and Aubrey Parrish, also Madrigals, sing the roles of the three wisemen at the Christmas assembly.

Harmoniously blended voices of the Special Chorus are often to be heard around Murphy at Christmas, operetta, or graduation time. Under the direction of Mrs. Myrtle Peter, this organization has remained one of the most active and enjoyed at Murphy. Participating in both civic and school programs, the Chorus is designed to develop musical interest and talent among Murphy students and is composed of 102 students chosen for their willingness and interest in working with music.

A special section of the Chorus, known as the Madrigals, is comprised of those members who have shown outstanding ability.

Harmonious Voices Heard At Murphy

Mrs. Myrtle Peter, head of the music department, prepares to lead the special chorus in song.

Each September a referee's whistle signifies the start of the season's first football game and initiates Murphy's annual sports and athletic program. As the school year passes Murphians can be seen and heard participating in a multitude of sports activities, ranging from football, basketball, wrestling, golf, and tennis in the spring. Penetrating each game are the shouts of enthusiasm and effort that are the expression of the spirit of each team member and of an energetic student body.

Head cheerleader Beverly Shearer, Linda Konstanzer, and Susan Beagle encourage the Cats to conquer the Wolves.

FIGHT, TEAM! FIGHT, TEAM! FIGHT! FIGHT! FIGHT! This year ten vivacious girls led the spirited student body, cheering the Panthers on to victory. These cheerleaders, headed by senior Beverly Shearer, not only followed the team faithfully, but also made and sold football booster ribbons to raise money for road trips. Furthermore, the spirited 10 could be seen leading pep rallies and pep parades.

In addition, a group of four attended the cheerleader clinic held at the University of Alabama last summer. Sharon Smith, Judy and Joy Salter, and Barbara McKennon brought honors to Murphy by placing second in the statewide competition while there.

The cheerleaders are the core of Murphy's Spirit. Their enthusiasm penetrates the air, infusing all with pride in Murphy.

A new era in playing football was ushered in at Murphy through the masterful efforts of Murphy's 1963-1964 coaching staff. The coaches started training the team late in the season, but by their first game, that late start was not evident. The excellent coaching staff was headed by Mr. C. R. "Lefty" Anderson, a gridiron gentleman from Frisco City, Alabama. Serving under Mr. Anderson were Chuck Maxime, end coach; Robert Shaw, offensive line coach; Lowell James, defensive line coach; and backfield coach Ben Glover.

Panthers Gnaw Up Theodore 56-0

MHS's Golden Panthers surged back into the limelight with a 56-0 win over the Bobcats of Theodore. Making the first two touchdowns in the fast-moving game, HB Tommy Aycock set up No. 1 on a 76-yard sprint and scored No. 2 on a 93-yard dash. Fullback Larry Ellis took a one-yard plunge into the scoring zone for the third touchdown of the game. Receiving a 13-yard pass, Hal Daugherty scored the No. 4 TD. As the Bobcats presented no threat, end Charlie Harris intercepted Maier's pass for the fifth TD. End Charlie Williams went for No. 6 after receiving Kiser's 20-yard pass. Touchdowns 7 and 8 were added by fullback Dick Overstreet and halfback Frank Pierce. After each touchdown, quarterback Bill Kiser kicked the extra point. The lively Panther offense gained 339 yards rushing to Theodore's 40 yards.

Bellhops Downed 20-7

Murphy's revitalized Panthers defeated the U.M.S. Bulldogs, 20-7, to rack up their second consecutive victory of the year. At the end of the first period Bill Kiser set up the first TD with a 51-yard run to the Cadet six-yard line. Four downs and a penalty attempt followed, with Larry Ellis finally making the touchdown. The pattern for the second touchdown was initiated by a pass interception by Tommy Hill, and two plays later, end Charlie Harris received a pass from Ed Lathan for the score. The Panthers' final six points began when Williams recovered a U.M.S. fumble. After two plays, Lathan caught the scoring pass from Kiser. The Bulldogs rallied in the second half and scored their only touchdown on a 76-yard run. Leading the Panther defense were Jackson, Fowler, Heath, and Adair.

Raiders Romped 34-0

Spurred on by two victories, the Panthers struck for the third time, trampling the B.C. Rain's Raiders 34-0. Charlie Harris received two second-quarter passes from Bill Kiser for the first Murphy touchdowns. Martin Rollins returned a punt forty-one yards to set up the third touchdown scored by Hal Daugherty. The fourth and fifth touchdowns were completed by Kiser. Larry Ellis led the Panthers in rushing, gaining 95 out of 181 yards. Bill Kiser kicked the first two conversions. Ed Lathan made the extra point after the fourth touchdown, and Mike Aycock was responsible for the final PAT. The Panthers held the Rain eleven to 47 yards gained and two first downs. The Murphy defense was led by tackles Art Fowler and Joe Jackson and guard Ollie Brunson.

Vigor Stopped 6-0

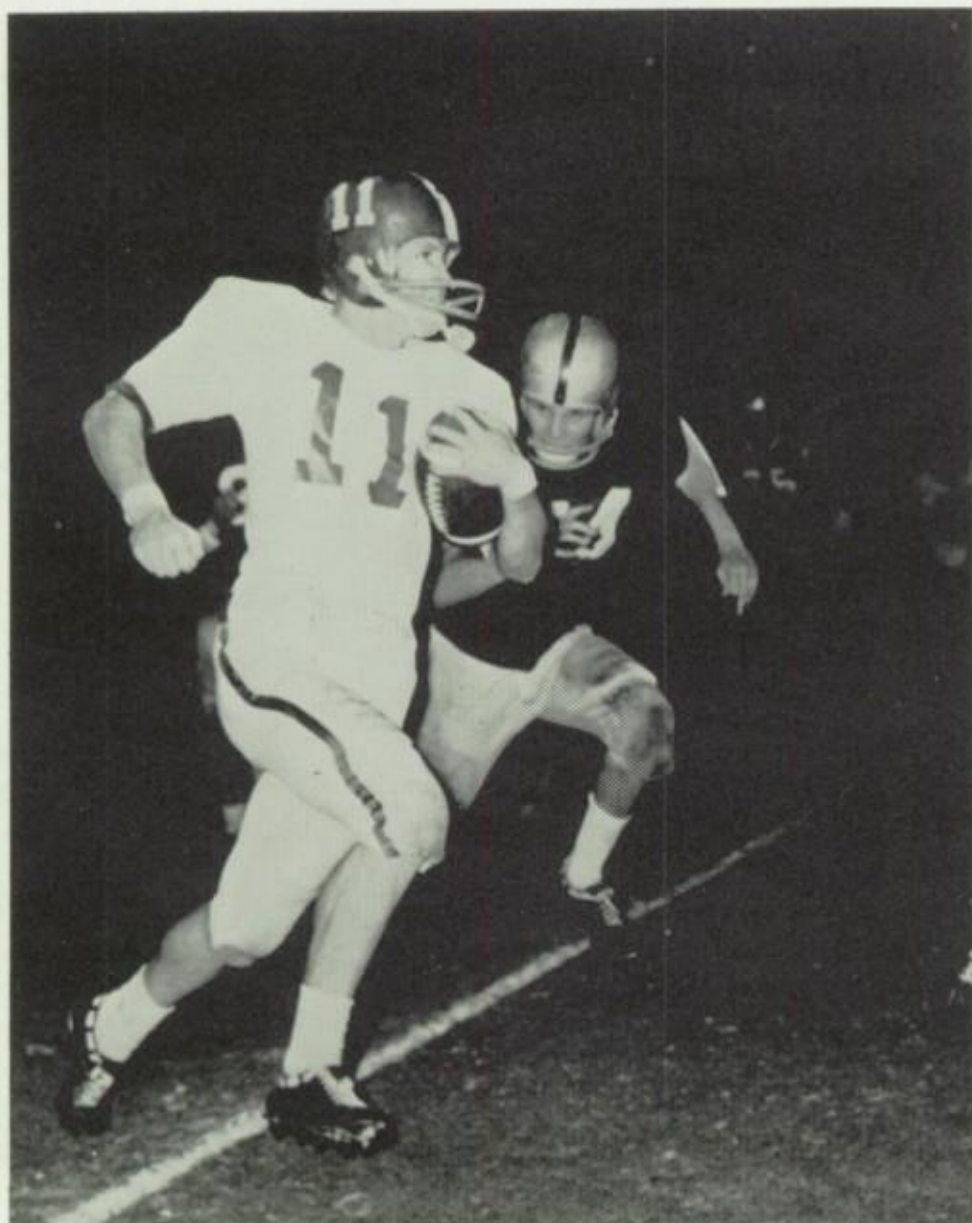

It took Murphy fifty-nine minutes and fifty-six seconds to score, but the Panthers did it! The last play of the traditional Murphy-Vigor battle climaxed with Ed Lathan scoring on a 17-yard aerial from Bill Kiser. The two evenly-matched clubs tangled during the first three quarters without scoring, as a crowd of 17,748 excited fans looked on. At the beginning of the fourth period, the Panthers drove 60 yards to Vigor's 3-yard line, but Kiser's pass to Aycock at that point was incomplete, and the Vigor 11 took possession of the ball.

The Wolves managed to gain enough yardage to enter Panther territory, but lost the ball on Murphy's 47 yard line. Fullback Larry Ellis initiated the lone scoring drive of the game by covering seven yards, as the Panthers regained possession of the ball. When a series of penalties and two Murphy first downs were completed, the Panthers lined up in the seldom used short punt formation with four seconds remaining. The game was climaxed in the last play as Kiser hit Lathan with the game-winning pass, making the final score a victory.

Alba Outclassed 34-7

Murphy outclassed the Alba Sharks 34-7 at Bayou La Batre for its fifth consecutive victory. Mackey McDow pushed over the first TD, and Bill Kiser kicked the extra point. Next Larry Ellis took one yard for the second TD, after Lathan had set it up on a 47-yard dash. Kiser again converted. Early in the second period, Ed Lathan made the third six-pointer, and Kiser passed to Ellis for the extra point. Shark star Don Powell sprinted 75 yards on a double reverse, making the Alba 11 the second team to score against the powerful Panthers. The Cats' third quarter touchdown was scored by Hal Daugherty after the team had swept 66 yards. The final six points were added by Ed Lathan on a 44-yard taunt, and a short aerial from Kiser to McDow made the final score 34-7.

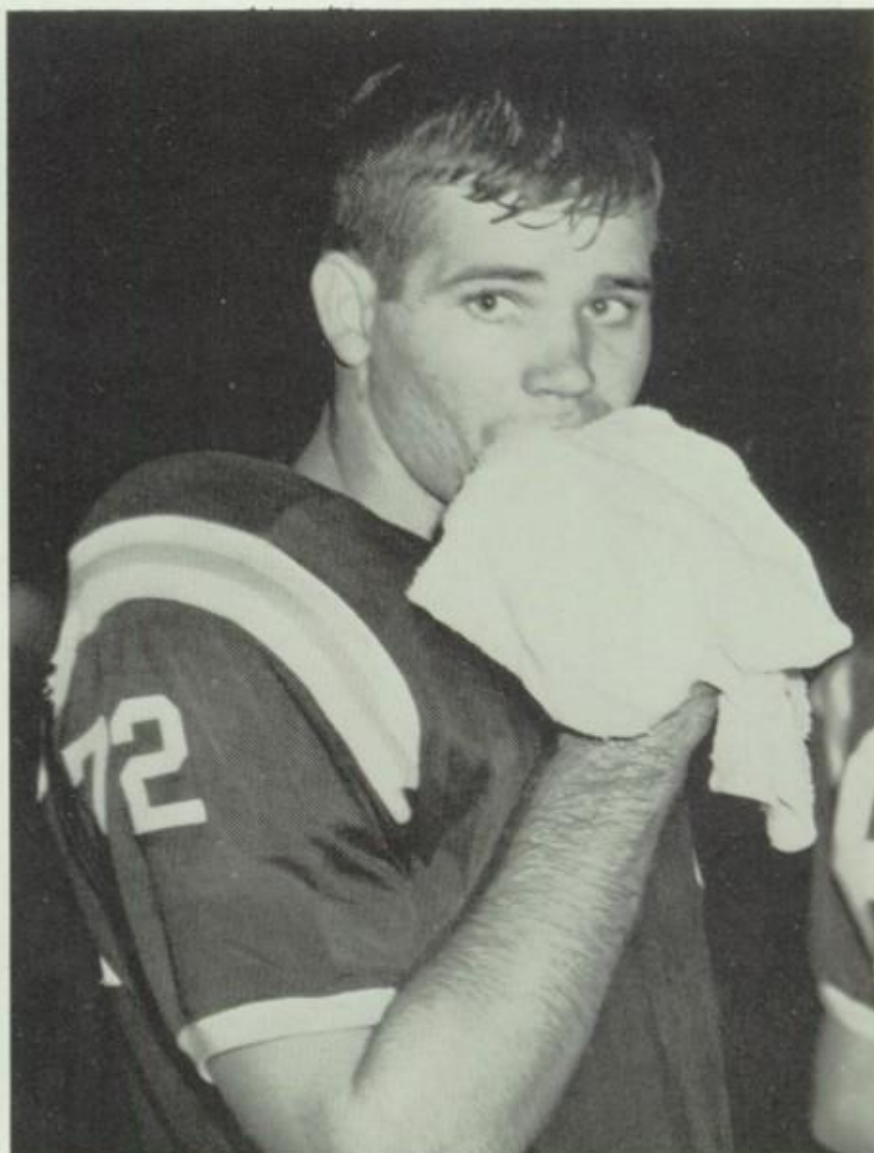

Ed Lathan scored another first down.

Yellow Jackets Smashed 23-0

Murphy's 1963 Homecoming was highlighted by a shattering 23-0 victory over the McGill Yellow-jackets. The stubborn McGillians held the Panthers to a slight two-point lead at the end of the first half. Charlie Harris scored the safety after the Cats were stopped on a scoring bid at the 1-yard line. But the second half saw the morale-bursting Panthers stop the Jackets with three touchdowns. Fullback Larry Ellis capped the first scoring pattern on a ten-yard run. Bill Kiser converted for the extra point. On a beautiful 47-yard run, Hal Daugherty out-sprinted the opponents for Murphy's second touchdown. Kiser again converted successfully. Harris scored the final TD, not even breaking stride when he received a perfect pass from Ed Lathan. Kiser stacked the score with an extra pointer.

Art Fowler honored as an outstanding tackle.

Lanier Falls Victim

In one of the hardest fought contests of the season, the energetic Cats held back the fierce Lanier Poets 14-7 at Montgomery. Murphy's out-weighted line made 2 tremendous tries in the shadow of their own goal and prevented the Lanier 11 from scoring in the first period. The Poets progressed to the Murphy 9, but were stopped in four plays on the 3. FB Larry Ellis fumbled, and the Poets recovered on the 9. This time, the Cats held the Poets to only 4 yards in three plays and stopped a fourth down pass in the end zone. Then, during the final five

minutes of the first half, Ellis burst through the Lanier line and raced 73 yards for a TD. The extra point was added by Ed Lathan. The Cats quickly recovered on a pass interception by Ed Dees deep in Lanier. Two plays later, end Charlie Harris received a pass in the end zone for the second touchdown. During the second half, the Cats went into a defensive shell, attempting no passes. The Poets were successful in gaining only one TD and an extra point in the second half. This victory rated Murphy number one in the state.

Warriors Trip Cats 14-7

Davidson's inflamed Warriors put an end to Murphy's seven-game winning streak, with a win of 14-7. The Davidson 11 scored a first quarter touchdown after rolling 63 yards in 10 plays. In the second quarter, the victors recovered a Murphy fumble to score their second touchdown. The Panthers rallied to cover 67 yards in five plays to set up their one touchdown. Mike Aycock scored the six-pointer with Bill Kiser converting for the extra point. In the second half, the Cats, fighting hard, got the ball on their own 32 with a minute and a half playing time left. Kiser advanced to the 50 for a first down, but his next pass was intercepted, ending Murphy's hope for victory. The Panther defense was led by Ollie Brunson and Charlie Harris. The Davidson win knocked the Panthers from the number one spot in the state's top ten rating by AP and UPI polls announced in November.

Panthers Trim Tigers 14-7

Crowning a triumphant football season, the Murphy 11 beat the Tigers of Pensacola 14-7. With Bill Kiser at Quarterback, the Panthers ran touchdowns in the second and third quarters. Bob Wilson started the scoring with an 83-yard run for the Tigers. The Panthers in the second quarter recovered a fumble and weaved their way down the field on passes and gains by Kiser and Larry Ellis. Kiser rushed the last 4 yards for the TD and made the PAT. The Cats' second touchdown was set up by Hal Daugherty, who had returned the kickoff to the Tiger 15. Ellis scored the second touchdown plays later. Kiser again converted. At the conclusion of their final game, the Panthers were rated in the top three prep teams in the state by both the AP and UPI polls.

Panthers Close Season With 19-5 Record

Murphy's fast-moving hoopsters met few defeats this season. Boasting a 19-5 record the Cats grabbed four successive games before falling prey to the Wolves of Vigor with a close 40-41 score. The team went on to defeat all other opponents including Lee, Davidson, Vigor and Lanier, falling only to McGill, Escambia and Tuscaloosa. Husky Doug Carmichael dominated the back board all season and led the team with a 16.7 average per game, followed by Hap Wheeler with 14.6 and Bob Gray with a 7.2 average. Calm but aggressive Bill Kiser was feeding the ball in and scrambling to get it out as Brooks Matthews dropped in one-hand side shots. Keith Brown, Eddie Hart and Tip Haug also played consistent ball. Finishing Coach Le Vaughn Hanks' championship team were Larry Touchstone, Charles Siegelman, Mike Gibney and Alan Olsen. The manager was John Slaughter.

Murphy Overpowers McGill In Final Win

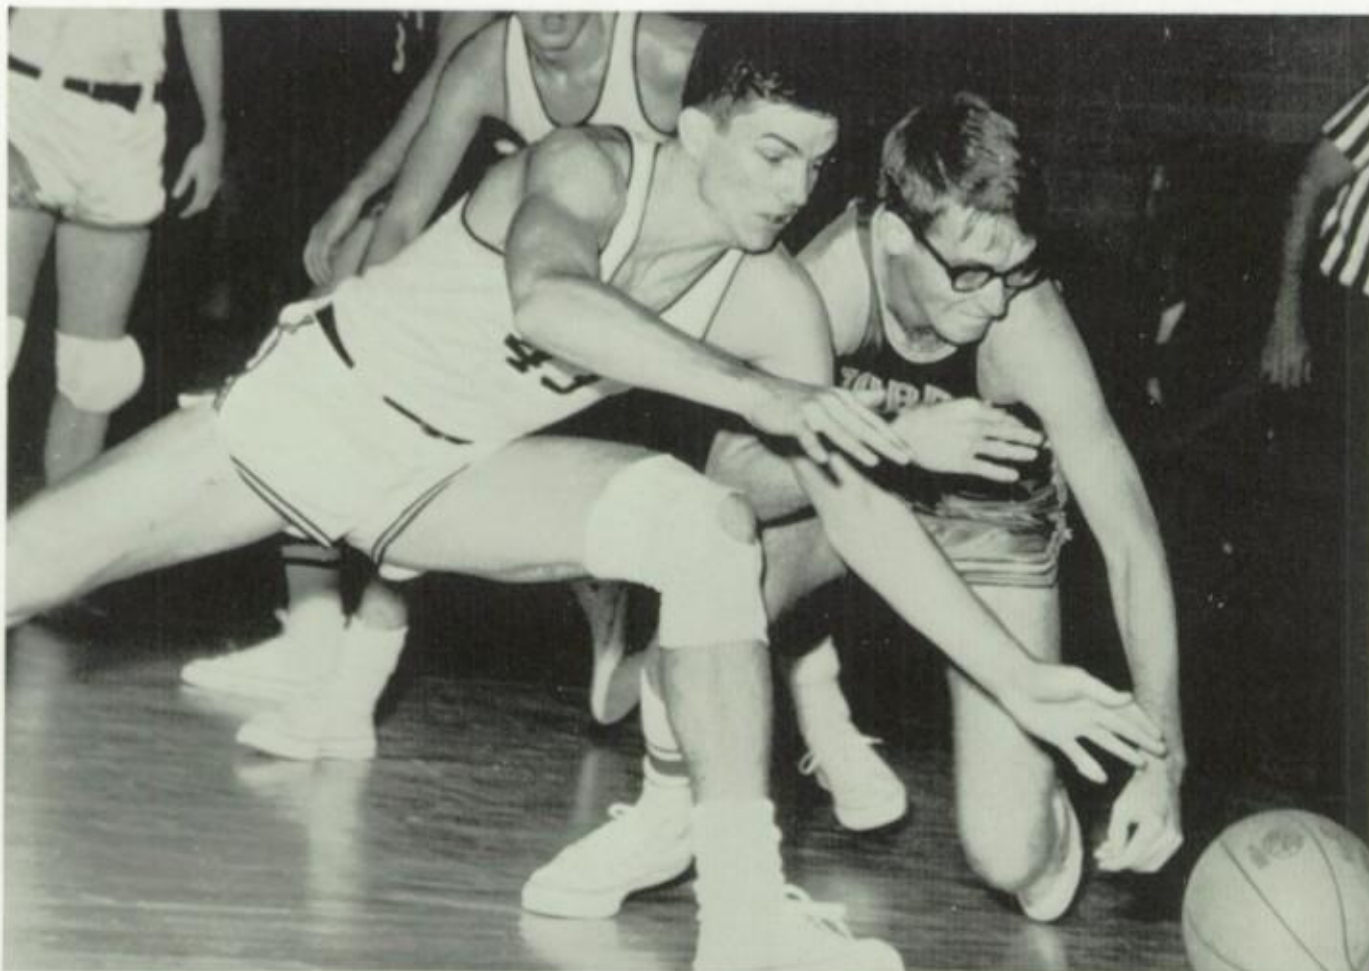

Alan Olsen tangles with Jose Castro of Rains.

Murphy's Cagers got off to a bad start in their tournament engagements this season, but finished 4-A district champions. They began by losing a close game to Vigor in the MCCC tourney. With Glen Jone's last minute jump shot, Vigor moved the score up to 41-40. The defeat was also Murphy's first of the season.

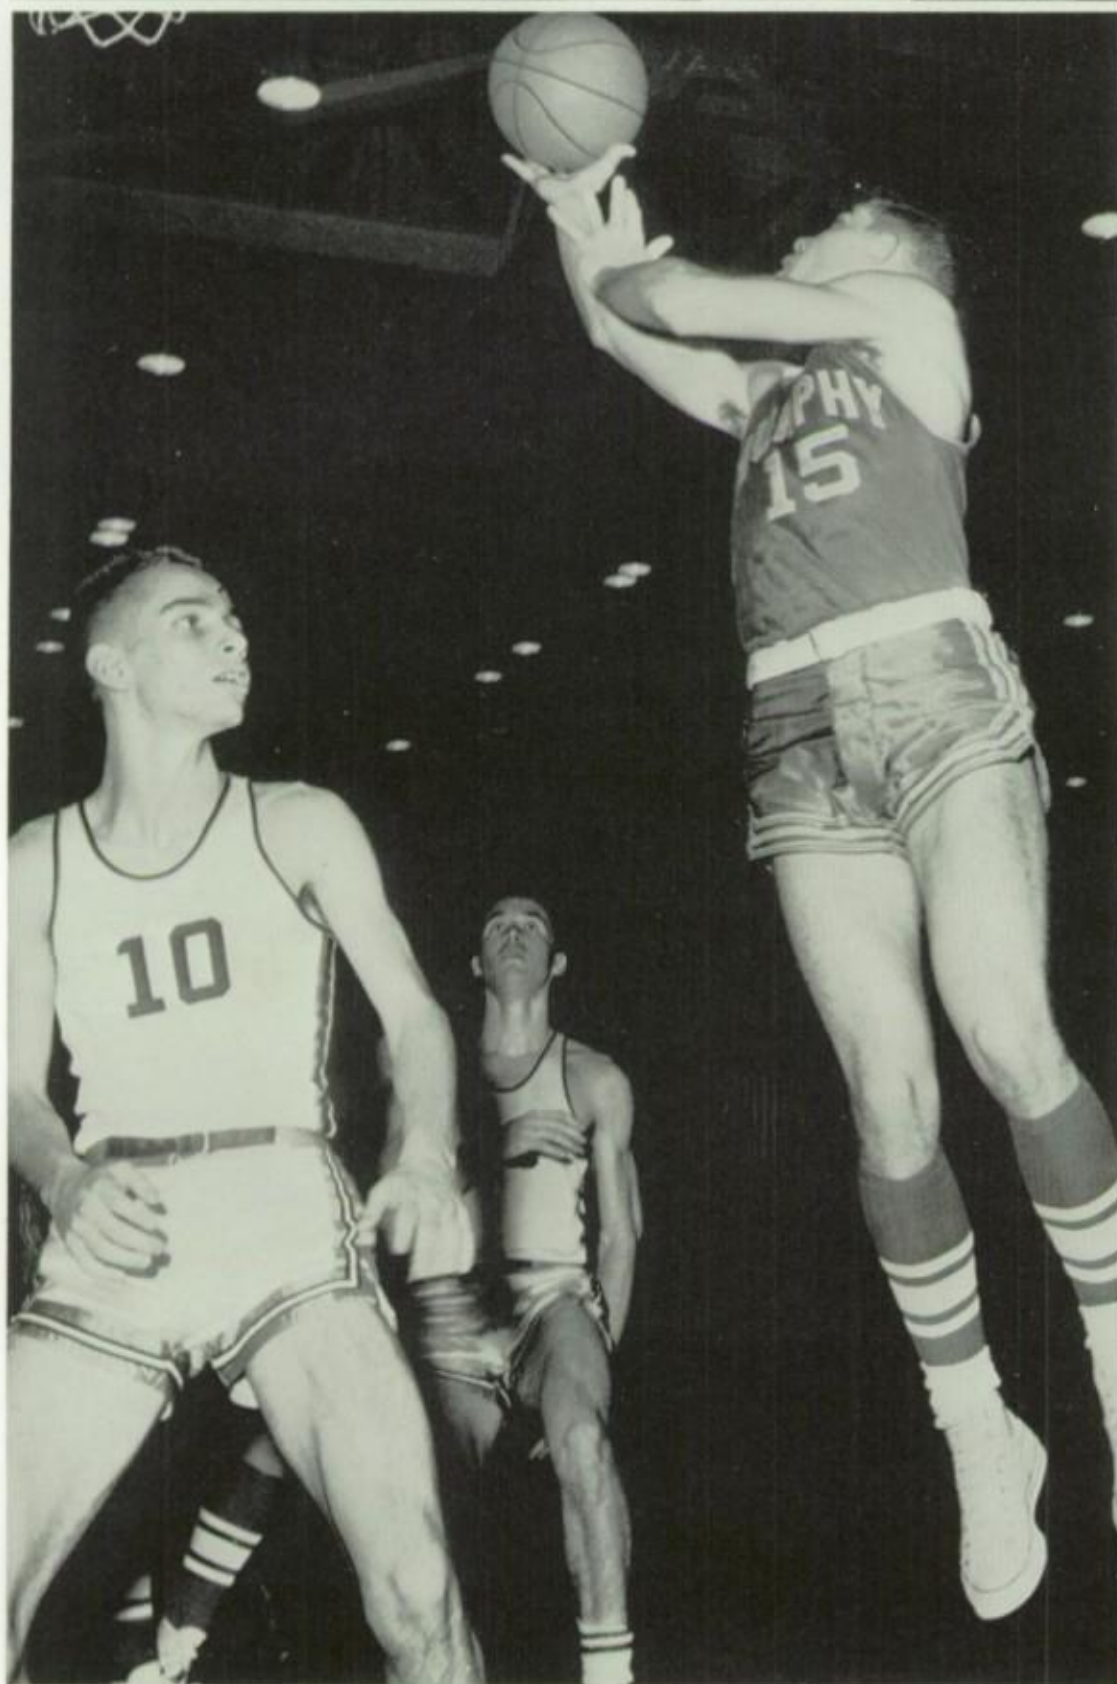

The Cats easily overpowered Paxon of Jacksonville, Fla., 56-44, and then outfoxed the Vigor Wolves 59-55 in the Rebel Invitational Tournament. Escambia stopped the Panthers by a big margin—62-52—in the Pensacola finals. Doug Carmichael and Hap Wheeler made the All-Tournament team, bringing honors to Murphy.

In the 4-A tournament Murphy sailed to an easy victory. Foley was put down 65-60, and Davidson 66-50. Having been beat by McGill's Jackets twice in the season, Murphy's Cagers put on the pressure and broke the jinx with a score of 59-44. Bill Kiser, Doug Carmichael, and Hap Wheeler were chosen for the All-Tournament team, and the Cats were off to State Tournament held in Tuscaloosa.

Murphy's Thinclads

Murphy's cindermen came in at second place when they participated in Montgomery's Indoor Invitational Track Meet. This annual meet is held in the Coliseum at the state capitol in February, and is the one indoor meet in which Murphy's trackmen participate.

Under the leadership of Coach Fred Carley, the thinclads racked up two first places, two second places, two third places, and a fourth place. Mike Synyard not only placed first in the mile run, but also overthrew the previous record by a full five seconds. His time was 4:28.8. The others placing were Ray Sonnier, first place pole vault, 12' 6"; Marty Rollins, second place 1/2-mile run, 2:05, and pole vault fourth place; Larry Ellis, third place broad jump, 20' 9"; Marion McMurphy, third place 1/2-mile run. When they walk onto the campus they hear sounds of friends talking, laughing, and enjoying their high school careers. These sounds make the world of Murphy's 2,980 students who, in the words of the Murphy High School official motto "strive to be the best that we can be."

AFS Sends Italian Exchange Student

Biba greets Murphy students at field assembly.

Biba chats with Frank Powell, Irvin Grodsky, Norva Potter, Shannon Miller, and Barbara Lott.

Lunchtime at her new school.

"Viva Biba" is a phrase well known to all Murphians whose pleasure it has been to know Enrica Casanova, exchange student from Guastalla, Italy. Biba enrolled at Murphy under the American Field Service program in September and has maintained a schedule similar to those of the other students since that time. Biba makes her American home with twins Marie and Mary McConaghy. She is an active member of the French Club and has spoken before our student body and Mobile's Historical Society. By her friendly manner Biba has done much to encourage warm feelings between her own Italy and the United States of America.

Biba at home with her adopted family, Marie, Mrs. McConaghy, Mr. McConaghy, and Mary.

Central Americans Study At Murphy

David Inge greets Rafael Goday.

Central American exchange students, Jorge Obando of Costa Rica, and Derek Steele and Rafael Goday of Guatemala, and Miss Jelks, Guatemalan Consul, practice their Spanish.

Under a new exchange program sponsored by the Mobile Area Chamber of Commerce Education Committee and co-ordinated by our Miss Vivian Jelks, three boys representing Central American countries entered Murphy in December.

Jorge Obando of Costa Rica was a guest in the homes of Stilly Knight and Boyd Vaughn. David Inge and Andy Chapman were hosts to Rafael

Goday and Derek Steele of Guatemala.

In the summer the Mobile boys will travel to Central America under the exchange student plan. The program, now in its second year at Murphy, holds as its purpose the promotion of friendship and understanding between the people of Central America and the United States. Plans are being made for the continuance of this exchange next year.

Exchange students and their hosts—Rafael Goday, Jorge Obando, Andy Chapman, Derek Steele, Stilly Knight, David Inge, Boyd Vaughn.

Speakers Address 15,000 At Ladd

Robbie Hoffman

Johnny Lassiter

By nominating all seniors with outstanding ability in speaking and writing, the English teachers began procedures for choosing Senior Speakers for graduation. Then these semi-finalists prepared one-minute speeches on "What It Means To Be A Senior." February 25, 1964, they and their speeches were judged by a faculty committee on composition, voice, choice of words, and speech sound. Two days

later, with emotion-filled voices, the twelve finalists gave their speeches before their class. Seniors elected half of the twelve as Senior Speakers. With the aid of members of the English Department, the speakers wrote and rewrote their speeches throughout April and May for the Graduation Exercises. Their efforts were culminated at Ladd Stadium, May 28, 1964.

Semi-finalists: Katie Watterson, Roberta Murphy, Judy Jerome, Virginia Iverson, Robbie Hoffman, Anne East, Judy Cherniak, Bronwyn Burks, David Shirley, Johnny Lassiter, Gary Adams, John Barrett, Irvin Grodsky, John Hall.

Cash registers ringing as students select supplies from the school store, coke bottles banging, change clanging as students purchase ice cream, ten-cent pieces hitting the almost full money box of the phones, the hair dryers buzzing at the beauty parlor, Christmas shopping, and the Easter attire that is tried on endless times before the final purchases all signify a part of the business world which touches Murphy. The publication of this book would not be possible without the support of the merchants in and around our fair city of Mobile.

An Important Message
for Seniors Interested
in College Scholarships

Six Seniors from the Mobile area will be awarded Bellas Hess College or University Scholarships for the 1964 school year.

This is part of the Bellas Hess Scholarship program, which will, this year, award 72 educational grants to students across the nation.

Awards will be made on the basis of scholastic achievement and financial need.

Prominent area educators will compose the final award committee. Your school principal will have full details of the Bellas Hess scholarship plan.

Dear Ethelyn,

I think I really owe Larry a great big hug for introducing you to me. It's been such fun getting to know you. You're such a nut — you always add your special touch of fun anytime we're together.

In spite of what you think of yourself — I think you are really great. Besides having such a good personality, you're cute as a button, too. Of course, you have another asset — Larry! You're a lucky little girl to have such a fine boy. And he's an even luckier boy to have such a great gal.

Ethelyn, I want to wish you all the happiness and success that you deserve (and that's a mighty lot!) next year at college and throughout your entire life.

Ethelyn,

I must say you gave me quite a privileged place to sign in. I am honored! I have sincerely enjoyed knowing you these two years, Ethelyn. You're a wonderful person with the personality to match. You've already gone quite a way in obtaining your goals. You'll go farther. Good luck, Ethelyn, and keep in touch.

Ethelyn,

I wish we could have been in at least one class together this year. I have really enjoyed knowing you these past few years - you're so smart! Stay that way! Good luck at Jackson! Love,

Dear Ethelyn

It has been a pleasure
knowing you this year.

I will always remember
you.

Good Luck + Love

MOBILE COUNTY

Fastest Growing County in the State

PROFIT AND PROSPERITY

No other section in the United States offers the home seeker or investor surer returns for his money than Mobile County, Alabama. We have more than eight hundred miles of paved roads, and more being constructed, making every section of the County easily accessible on paved roads. Fruits of every variety, farming, cattle raising, bee culture, wool, truck-growing; in fact, everything that is offered in different sections of the country is embodied in the possibilities offered the industries of Mobile, one of the seven most progressive cities in the United States. Thousands of acres of virgin soil are available far below their intrinsic value. Climate and water are equal to the best in the United States.

A visit to Dauphin Island will convince you it is the sportsman's paradise—salt water fishing the year 'round.

Investigation and correspondence are solicited. For further information about this wonderful section, communicate with County Commission of Mobile County, Alabama.

LEROY STEVENS, Chairman
HUGH FORT, Commissioner
WILL D. HAAS, Commissioner

Dear Ethelyn,

What your friendship has meant
to me ~~has~~ defies description—it has
been so rewarding. I know of no
young lady that I respect more than
you. You have always been so sweet
and kind to me.

It's been a long time since
Phillips. You simply made those years
complete. We have shared many rewarding
experiences—I hope there are many more.
We have had our entire secondary education
together; this means much to me. I
have no doubt in the world that
you will succeed because you

Karl Kerzic, President of the Senior Class, and Katy Miller, crown bearer, wait for the Homecoming festivities to begin, while Murphy cheerleaders take a break and watch the game.

My dearest Ethelyn, How glad I am you happened in! It has truly been a pleasure to have known you and to have had you in the library this year. Relay, dear! Take it easy! Remember "it will all come out in the wash."

Ethelyn,
It has been wonderful to be in section with you this fine year. Hope you have a nice time next year.
Love ya,
Billy Heber

Ethelyn,
you are truly one of my best friends. This year has just really been great being with you at church and school. You have such a wonderful personality that I don't think I'll ever forget you. Ethelyn, I'll remember you next year off at Judson and I hope you remember me. I'll try and come to see you sometime next year. I hope we can have a real good time this summer! Ethelyn, remember all the good times we have had together at football games, parties, etc. You are so much fun and I will never forget you. The best of luck in the future to a wonderful person.
I love you,
Jenny.

Love always,
Barbara

Ethelyn,
It's really been a pleasure to know someone who works so diligently and someone who is so nice. I know you'll gain the highest rewards for your efforts. Wishing you the best of everything,
Amy Delaplaine

Ethelyn,
Well, it's been a long time since the 7th or 8th grade at Phillips but we enjoyed knowing you all this time! Let's try to keep in touch in the coming years. I wish you and Larry the best of luck and lots in lots of happiness!
Love,
Delaine

Harris -

By damn, it's all gonna
be over in a few days.
Everybody's gonna be
drunk. Football has
been fun? I like
the card-playing, you
lucky bastard. Well
see you over the
summer.

Charles,
To a great
football player
and person to
I have really enjoyed
know you this year.
Best of luck at
Alabama. Love
John

To the most handsome
boy I know. You've
got a great personality
and I consider you a
great friend.

Love you
Mary Lou

To Charles
I hate to admit it, but
you are the best lookin'
boy in this school. Even though
you've managed to cut me pretty
often this year, I still think you're
a great guy.

Be good, OK? (Even if you didn't
have fun on our dates, I did) I won't
forget you. Good luck at 'Bama.
I hope you tear 'em up!

Love,
Paula

Harris,
